Dear Parents

Last Saturday was a great day of sport out at Banyo. Congratulations to the First XV and Second XI on their premierships. Congratulations to the Open A Chess, who shared their premiership with St Laurence’s. There was more sporting success in the younger grades which can be read about in the ‘Inside Sport’. Most pleasing on Saturday was the community support and sense of spirit at Banyo. A proud day to be a Paduan!

Last Thursday evening, I attended the QUT Vice-Chancellor’s Briefing with School Principals. While a very collegial evening, the highlight was an address by Brody Foy, a young man who has graduated from QUT with Honours in Computational Mathematics. He has also been awarded the 2015 Rhodes Scholarship for Queensland. Brody plans to study for a PHD in Mathematics at Oxford University, modelling the spread of lung cancer.

While an address on what Brody intends to do at Oxford would have been fascinating in itself, I was most impressed with what he had to say about his journey as a Maleny High School student to a graduate of QUT and what he found to be the most valuable contributing factor to where he finds himself today. Freely admitting that he is a ‘maths nerd’, Brody said that his life changed subtly when his school ‘pressured’ him to join Interact to do some community fundraising. Although these things were out of his comfort One, he began to enjoy them.

Winning a Vice-Chancellor’s Scholarship, as well as a Dean’s Scholarship, he went to QUT, where the College of Excellence further ‘pressured’ him to do some ‘out of comfort zone things’, including a stand up comedy course. The more he was challenged to do things foreign to his nature, the more challenges he embraced to the point that there was no longer any ‘pressure’, just opportunity. Brody became a student ambassador and campus life leader, as well as volunteering as a tutor for first-year maths students and for SPUR, a men’s mental health organisation.

Brody concluded his speech with a challenge to Principals to weigh up the balance between the pursuit of technical knowledge and personal development. Brody believes that he would not be going to Oxford to contribute to the curing of lung cancer through mathematics had he not been challenged to step out of the comfort zone of his mathematics world and embrace the challenges of community engagement, altruism and leadership. As Brody says ‘Life at Uni is a holistic experience and is as much
about making connections with people as it is about books’.

Clearly all of the students at Padua have their own talents, interests and abilities. They also have the privilege to explore other opportunities and challenges. As adult mentors, it is our responsibility to apply any gentle pressure that we can to move the students out of their comfort zones to embrace those opportunities and challenges that may well give another perspective on life or ignite the flame of passion to pursue a certain goal. In short, we should never underestimate the influence that we might have on the young men in our care.

This is not necessarily an advertisement for QUT, but I have included an excerpt from a letter from QUT about the opportunities embrace by some of the past students from Padua.

‘QUT continues to be the first choice for study for many students. In first semester 2015 QUT enrolled 4 448 undergraduate students that finished Year 12 in 2014. Of those, 51 are from Padua College.

Other key relationships include:

- Emile Dawalibi, Samuel Falzon, Heath Gabbett, Daniele Antonaglia and Jeff Zhou were awarded a Vice-Chancellor’s Scholarship
- Stephen Chinnery, Jacob Dryer, Heath Gabbett, Justin Kennedy, Dolby Matthew and Sam Weston are part of the QUT Student Ambassador program
- Three students received a Business Academic Excellence scholarship
- One student was accepted into the Business Dean’s Honours Program
- Thomas Fall and Ethan Down are part of the QUT Future Leaders Program.’

As this is the last Bulletin for the term, I wish everyone a safe and restful holiday. Best wishes to the Japan tourists, the Confraternity Shield team and the Cross Country squad for their activities during the holidays. Enjoy the break and I’ll see you next term.

Pace e bene
Robert Out
Rector

**Leuven Project Survey Prize Winners**

The following lucky people won prizes for participating in the survey. They were notified some weeks ago.

- Jyoti Pillai    $100.00 school fee reduction
- Korina Kenny  $100.00 school fee reduction
- Amalia Drakos  $50.00 Westfield Voucher
- Darren Armstrong  $50.00 Westfield Voucher
- Katrina Mansfield  $30.00 food/drink voucher for Nana & Da’s
It's a year of anniversaries. The landing at Gallipoli 100 years ago, the Battle of Waterloo 200 hundred years ago, and the signing of the Magna Carta 800 years ago! - 15th June 1215. In the Magna Carta's sixty three articles, this seminal document sets forth a list of personal and political freedoms that we regard as the foundations of "the rule of law" upon which the British, Australian, the Constitutions of the United States, and the American Bill of Rights are based.

These days, when the Magna Carta seems to belong to the Americans more than it does to the British and Australians, it is still important for us. Our Federal Parliament seems intent on replacing the judiciary with the executive branch of government in dealing with the stripping of citizenship from suspected terrorists. Let us hope there will be some protection from the arbitrary dictates of a government minister, where it seems the judiciary is likely to be side lined.

Of course there is nothing in Magna Carta that prevents the enactment and enforcement of unjust laws, but it does elevate the law above the ruler's will. Moreover, as the continued existence of the U.S prison camp at Guantanamo Bay shows, even among countries that trace their political institutions to Magna Carta, perceived security threats, at least in Australia, have weakened the requirement that no one be arrested except under the law of the land and that justice not be delayed. While it is imperative that the Australian government works at protecting us from Islamic terrorists, it must not be at the expense of the very liberties that these terrorists seek to destroy. The eighteen century French philosopher, Jean-Jacques Rousseau warned, "Free people, remember this maxim: we may acquire liberty, but it is never recovered once it is lost."

RESPONSIBILITY

What sort of person do we think can be properly held to be responsible for his actions?

Well the person should be old enough to be answerable for what he does. The person must have free will, and not be forced into doing something he does not want to do and that he acts on the basis of reason. Such a person has the moral maturity to be able to distinguish right from wrong, and then has the capacity for decision-making.

As we grow up we are rightly expected to take on greater responsibility. It might have to do with the care of younger siblings, it might be about "owning" our own study program, taking on special tasks associated with being a student leader, captain of a sport's team, or first violinist in an orchestra. These all call us to special, serious and additional work. Whenever we are given a particular power there comes additional responsibility. So it is with leaders of government, with head teachers, with employers of workers, and with bishops of the church. We judge such people as responsible in accordance with how well they carry out what they are supposed to do for the benefit of those they serve. We rightly call them responsible people!
The last day of this term will consist of a number of important College events. These events include The Feast of St Anthony Mass, The Padua College Dash and the presentation of Term 2 Sports awards.

As with every term day, the last day of the term is a compulsory school day for all students. Families are asked to not withdraw their boy early for the holidays or allow him to stay home for any invalid reason.

**Parents whose sons have unexplained absences on this day will be contacted by their House or Pastoral Guardian early in Term 3 to discuss the matter. Additionally, students in Year 11 and 12 who have an unexplained absence on this day may have their formal invitation reviewed.**

### Year 8 Camp

Presently, the Year 8 students are in the middle of their Outdoor Education program for the year at Amaroo. The Year 8 camp consists of 2 nights camping (1 in dorms and 1 in the wilderness) where students learn basic camping and cooking skills. Students also partake in archery and ropes courses.

For the first time, students in Year 8 will be visiting a new area of the Amaroo property designed to cater for outdoor camping of large groups. We look forward to hearing all the exciting camp stories when the boys return.
As it is the last Bulletin before the holidays, I would like to take this opportunity to remind families of the following:

**Hair and Uniform**

As is customary at Padua, all students returning from holidays will have their hair and uniform inspected by their House Guardian to ensure they meet the expectations of the College. I would ask all parents to please support this process and ensure all students are able to get their hair cut and uniform altered where required, in preparation for Term 3. I have included a list of these expectations below to assist with this process:

All students return to school in their winter uniform. This consists of;

- **Year 5 -9:** Black (polished) leather shoes, College socks (worn up), grey College shorts, College black leather belt, short sleeve College shirt, College tie and College hat.
- **Year 10-12:** Black (polished) leather shoes, grey College slacks, black or grey dress socks, College black leather belt, short or long sleeve College shirt, College tie, College Blazer and College hat.

In addition -

All students adhere to the College hair policy. The College hair policy states that students must ensure that their hair;

- Does not touch the eyebrows when the fringe is combed forward
- Does not touch the collar when combed back
- Does not pass mid temple when swept forward at the side
- Is of a consistent length and natural colour
- Is worn in a neat and tidy fashion and is not cut in an attention seeking manner

**Padua Pride**

Last week’s Spirit Assembly

Huge crowds at Banyo for the last round of AIC sport

The boys who continually walk around the College picking up litter without being asked!

The year 7 chess competition in action
FORMAION

Dear Padua Families

Exams and assessment are the order of the day these last couple of weeks of the term. In the middle of this term on 13 June we celebrated the Feast Day of our College Patron, St Anthony of Padua. what an auspicious day with several premierships being decided on the same day in the AIC Competition. I wonder if there was a little ‘heavenly’ intervention guiding the brown and gold that day. As a Patron to many causes, St Anthony was a man of great faith and service to others. A worthy example for all of us here at Kedron.

As of Tuesday of this week our 2015 Franciscan Appeal had nudged over $38 370! I am staggered by this result. With just over a week to go before we present our final cheque at the St Anthony’s Feast Day Mass a new record amount is possible. Last year Padua set a new record collecting $40 630. We have only $2 261 to go to beat that!! You would still be surprised at the number of boys who have $0 recorded against their name for this year’s Appeal. My challenge to every Paduan is to do something about that. A gold coin donation would be enough! The Franciscan Appeal is OUR Appeal. It is the glue that helps bind the special relationship between St Francis of Assisi College and Padua.

This year Padua passed a major milestone in its fundraising. Passing the $17 900 mark in this year’s fundraising meant that in the 24 years of fundraising events for either Project Compassion and more recently the Franciscan Appeal, Paduans have raised $500 000! This remarkable achievement has been led by Mr Mark Taylor. Thank you Mark for your inspiration and persistence and thank you Padua!

Currently representatives of Mary Mackillop International, the organisation responsible for overseeing all the projects being conducted by the Sisters of St Joseph in Timor-Leste, are in preparing to visit our school there to assess how best we can support them in the future. They have a great deal of experience in this field, and particularly in Timor-Leste. I am looking forward to receiving their report and recommendations for a future partnership with them involving our school there.

**Timor Student Sponsorship – ‘Serbi Hamutuk – Working Together’**

This week we have been working through our Padua-Timor Student Sponsorship Scheme which we call in the Tetun Language ‘Serbi Hamutuk’. A number of families have indicated that they wish to remain in the scheme or join it as new sponsors. Thank you to those families.

We still have several students who so far have no sponsors. Can anyone help please?

The details are as follows:

Advenciana is a Day Senior Girl who is 17 years old. (Year 11)
Mateus Gonsalves is a Boarder in the Junior School who is 15 years old. (Year 10)
Bruno Freitas Soares is a Boarder in the Junior School who is 17 years old. (Year 11)
Gregorius Masin Fallo is a Senior Boarder who is 18 years old. (Year 12)
Timoti Monteiro is a Boarder in the Senior School who is 17 years old. (Year 11)
Augusto de Oliveira Sarmento is a Senior Day Student who is 18 years old. (Year 12)
Ernestina Olla is a Senior Day Student who is 16 years old. (Year 10)
Egio da Costa Fernandes is a Senior Day Student who is 18 years old. (Year 12)
Genoveva Amaral Mali is a Senior Day Student who is 18 years old. (Year 12)
Neldia do Carmo is a Senior Day Student who is 17 years old. (Year 11)
These students have been recommended by Fr Sebastian as students with bright futures, who study well but come from very poor families who struggle to pay the college’s school fees.
The cost of sponsorship for any of the above students is as follows:
Junior High School – AUD$55 per year (day student); AUD$305 per year (boarder)
Senior High School – AUD$85 per year (day student); AUD$325 per year (boarder)
Your annual sponsorship of each student includes:
12 month’s tuition; annual exam costs;
student resources expenses (uniform, annual exam cost; consumables and boarding school costs where applicable)
If you can help please email me at mobrien@padua.qld.edu.au or Lisa Farry at lfarry@padua.qld.edu.au.
We thank you for your support in giving these young people a great start in life with a great education.

Grigg and Odoric House Eucharists

This is just a reminder to all members of Grigg and Odoric Houses that your House Eucharists are coming up in August. These are important House and College events where there is an expectation that all members of the House attends the Eucharist. Please note these dates in your diaries for your planning:

Grigg House Eucharist – Monday 3 August @ 7.00 pm in the Little Flower Church, Kedron.
Odoric House Eucharist – Thursday 27 August @ 7.00 pm in the Little Flower Church, Kedron.

2015 Catholic Education Week

This year’s annual Catholic Education Week will be held from Sunday 26 July to Friday 31 July. The theme for this year is ‘Engaging Minds, Igniting Hearts, Serving Others’. A range of activities has been planned that will help highlight this theme.

I am pleased to announce that the 2015 Catholic Education Week Ambassadors Nick Marchesi and Lucas Patchett, founders of Orange Sky Laundry – which is a laundry service for the homeless, will be our special guest presenters at the Winter Sleep Out on Thursday 30 July.
Do you want to dust off your old crocheting skills? Do you want to have fun doing that? Come and join a group after the holidays who will be making beanies for the homeless every Tuesday night from 6.45 pm to 8.30 pm. See the flyer in this Bulletin for more details.

Next Friday we will celebrate the Feast Day of our College Patron, St Anthony of Padua in true Paduan style. The day will commence with a College Mass led by Fr John and conclude with this year’s staging of the annual Padua Dash race in the afternoon. In between the Mass and the Dash we will celebrate the success of this term’s sport with the Term 2 Sports Awards Assembly.

There is light at the end of the tunnel! Get through these next two weeks and the holidays will soon enough be upon us!

Peace and all good for the fortnight ahead.

Michael O’Brien
Vice Rector Formation

Please pray for those who have died

Son of Mr Hellmuth—former Padua teacher

Please pray for the sick
The Padua College

Co-curricular Photos

are scheduled to occur on

Tuesday 23 June & Wednesday 24 June

Students are to bring their correct activities/sports uniform or wear full winter uniform as specified.

A full schedule is available on the College website

http://www.padua.qld.edu.au/
Electronic Reports will be emailed to families by the end of Week 1 in Term 3. If you have more than one son at the College, please be aware that reports are emailed as a Year Level is ready. That means that it is quite possible that you will receive reports for your sons on different days.

Marked Assessment Going Home

In the next two weeks, your son will be receiving his marked assessment in class. The expectation is that all marked assessment will be made available to families. This is done in two ways: 1) assessment is physically taken home, signed by a parent or guardian and returned the next day to the teacher; 2) assessment is photographed on the iPad so that parents can review results with their sons. Can I ask that you let your sons know that you are aware that their assessment is coming home and that you would like to see them as they do. Many of our task sheets have built in reflection activities to be completed following the return of results and this a good place to begin the conversation about their results for the term. As always, should you want specific information regarding your son’s progress, you can contact your son’s class teacher via email at any time. The email addresses at Padua are standardized and all consist of the initial of the teacher’s first name, followed by the surname, followed by @padua.qld.edu.au. For example, my email address is jpacey@padua.qld.edu.au.

Parent Teacher Interviews

Parent Teacher Interviews will occur in Weeks 4 and 5 of Term 3. These provide the opportunity to speak with your sons teachers, especially in cases where you would like additional information. Full details will be published via email at a later stage including specific details relating to the on-line booking process. If you have urgent questions regarding your son’s report that you would like to address before Week 4, please email his class teachers directly.

Last Week of Term

The last week of Term 2 is the same as any other week. All year levels are back in class and they will either be consolidating their Term 2 learning or beginning Term 3 work. I ask that all parents be aware of this.

Jason Pacey
At the last P & F meeting I presented the proposed change to student devices from 2016. For those who were unable to make this meeting, the information has been made available through the College website (http://padua.qld.edu.au/technology/technology-at-padua/ipad-survey-overview/) with a notification on the College App as to where to access this.

I would like to thank those parents who attended and those who have already provided feedback on these proposals. Any feedback on this proposal can be sent to me by next Wednesday 24 June via email tanderson@padua.qld.edu.au From there I will collate the feedback for further discussion and consideration, with a more formal announcement of the direction of devices to be provided to parents in the first weeks of Semester 2.

In relation to the current devices, it is a College expectation that all students continue to have a working iPad until the end of the 2015 school year. Should your son’s iPad require replacement before that time, please contact me directly to discuss the options available.

iMessage issues

All students received an email last week outlining advice from Apple as to how to best protect their iPad (and the information contained on it). Students in Year 5 and 6 were asked to forward this information to parents and I have included it in this week’s Bulletin for all parents:

“If Messages quits unexpectedly after you get a text with a specific string of characters

Apple is aware of an iMessage issue caused by a specific series of unicode characters and we will make a fix available in a software update. Until the update is available, you can use these steps to re-open the Messages app.

Ask Siri to "read unread messages."

Use Siri to reply to the malicious message. After you reply, you'll be able to open Messages again.

If the issue continues, tap and hold the malicious message, tap More, and delete the message from the thread.”

This is directly from the Apple support website https://support.apple.com/en-au/HT204897

Of course the best way to protect your son’s information is to turn off iMessage completely until the update to fix this bug has been released by Apple. Please be aware that if a student does received the message it will be accessible once iMessage is turned back on. Apple were unable to provide information about when this update would be available.

The other thing you can do to protect your information is to make sure that your iCloud back up is on and up-to-date....just in case! This is always something that your son should be checking, particularly around assessment time.

Tanya Anderson
Term Two has been a busy term for those students and staff involved in Cultural Activities at the college. Firstly, congratulations go to all of the students and staff involved in ‘Hairspray - the Musical’. For those of us who were able to attend one of the four performances in May; we witnessed the successful culmination of many weeks of rehearsals. The show highlighted the acting/musical talent that the students possess here at Padua. For many of the boys involved it has been the highlight of their year and they are eagerly looking forward to the staging of the next musical in 2016.

Last week the Greccio Vocal Ensemble was given an opportunity to display their musical talent to the wider public. Under the direction of Ms Sarah Landis, the ensemble participated in the Queensland Youth Music Awards. The boys performed two songs, and to their credit received a Silver Award. Unfortunately, it is the end of the line for the Mooting Team. The coach, Mr Steven Fields recently received the news that this year’s team did not advance through to the finals. Despite their impressive adversarial skills, three other schools from the Brisbane region will compete in the finals next term.

Debating results have continued to be disappointing this year. Despite some close performances, the wins have not come our way. Round three of QDU Debating appeared to be very challenging, with only 1 win which was through a forfeit. Debater of the round was awarded to Daniel Mirfin from Year 10. As 2nd speaker, the adjudicator praised Daniel’s strong presence when delivering his points. Round four proved slightly more successful for our debaters, with 4 wins and 2 draws (Draws are given when adjudicators fail to attend). Debater of this round was awarded to Thomas Fall from Year 12. As 2nd speaker, Thomas is skilled in offering and answering ‘Points of Information’. Thomas is composed and constructs sharp, concise replies; he does not allow the opposition to rattle him. Despite limited success in the preliminary finals for our debaters, one team has advanced through to the quarter finals in Term Three. The College wishes the Year 12 team and their coach, Ms Aimee Asimus all the best for the upcoming competition.

Earlier in the term, the two Theatre Sports Teams participated in the first round of the competition. Both teams won their heats convincingly, and moved forward to the second heat which was held on Monday 15th June. The Year 11 team known as the ‘Lost Boys’ were named as one of the top two teams on the night. Thank you to the many students and staff who attended on the night to support the boys. Ms Trish Dwyer commented that it was a very entertaining night, and the student’s ability to think quickly and be creative and witty was impressive. We wish the ‘Lost Boys’ another successful round of competition.

On Wednesday evening 3rd June, the Greccio choir travelled to The Gap State High School to compete in the Queensland Youth Music Awards. The boys overcame their nerves to very convincingly perform “Count on me” by Bruno Mars and the Australian folk song “Hullabaloo Belay”. The competition was stiff, but at the end of the night the Greccio choir was bestowed with a silver award. Congratulations to the boys in Greccio choir for their achievement! A big thank-you also goes to former student Lucas Brankovich for accompanying and to all the parents and families who came along to support on the night. The Greccio choir rehearses at 7:30 on Friday mornings in Music 2 on the Assisi Campus and new members are encouraged to join.
Sarah Landis
Padua College is pleased to introduce the Supporter’s Clothing Range for our Padua Parent and Old Boys Communities

Currently available in stock:

Supporter’s Polos $ 38.00
Supporter’s Caps $ 18.00

Limited stock of polos available in the following sizes:

Ladies – 8, 10, 12, 14
Mens – M, L, XL, 2XL
Caps – one size fits all

*Please note there will be up to a 6 week wait for new stock arrival

For any purchases, please complete the registration form on our Online Payments portal under the General Payments tab via the attached link http://goo.gl/mxcUOE

Parents: Purchased items may be collected by your son at the Sports Office.

Old Boys Community: Purchased items may be collected via our School Office.

A Safety Message from the P&F

The P&F School Disco is always a fun and exciting night and to ensure that everyone has a good time we ask parents to remind children about staying safe with these rules:

- No running around inside the Hall or outside on the terrace
- Stay in the hall or terrace area during the disco
- Children must be collected by parents from the Hall

The P&F and our volunteer supervisors thank the parents in advance for their support. Looking forward to seeing you on the night!

*Wristbands will be sold to Padua students only on the night.

COSIES FOR ROSIES

Looking for helpers to keep Brisbane’s homeless warm this winter, with the aim to donate a warm beanie to each person every time Padua goes out with the Rosie’s van.

Come along and crochet a beanie with us on
Tuesday nights (from 14 July) at 6:45pm to 8:30pm.

Saint Francis Hall Dining Room
PADUA COLLEGE
(entry near Parish car park)
BYO size 5.5 crochet hook

Find us on Facebook https://www.facebook.com/cosiesforrosies
The new 2015 | 2016 Entertainment Books are here!

The 2014 | 2015 Brisbane Entertainment™ Book has just about to expire on June 1st. If you haven’t already purchased a new 2015 | 2016 Entertainment™ Membership, now is the time to do so.

Choose from the traditional Entertainment™ Book or the NEW Entertainment™ Digital Membership, which puts the value of the Book into your iPhone or Android smartphone!

Still Undecided on which membership to choose?

We are sure you will happy with either choice, however if you change your mind, you can always swap to the other type of membership. Supplies of both memberships are limited though, so get in quick!

Use just a few of the hundreds of 50% off and 2-for-1 offers, and you'll more than cover the cost of your Entertainment™ Membership. Plus, you can take advantage of additional, valuable Member-only benefits until 1 June 2015!

Plus, 20% from every Entertainment™ Membership we sell contributes towards the school fundraising! The more Entertainment™ Memberships we sell, the more we raise.

This event is not to be missed! Full details and registration information available at www.menalive.org.au. Contact Peter on 0404 496 405 or via email to mail@menalive.org.au
Dear Parent

NumberWorks/nWords can help your child reach greater heights with our expert after-school Maths and English tuition.

From Prep to Year 10, no matter whether they’re struggling to keep up, or bursting to race ahead, NumberWorks/nWords promises to give your child’s education—and confidence—a real boost.

Over the past 30 years, NumberWorks/nWords has achieved amazing results with thousands of children just like yours. By—

• tailoring lessons according to your child’s individual needs;
• setting achievable goals and keeping you updated on your child’s progress;
• ensuring your child with technology and resources developed by our own qualified experts;
• using specialist trained tutors who teach to the Australian Curriculum.

Right now NumberWorks/nWords is offering FREE ASSESSMENTS in Maths and English. These assessments provide a great opportunity for you to discover how your child is doing, collaborate on a plan to help them achieve their potential, and set yourself up for success and enjoyment—NumberWorks/nWords ensures Maths tuition and English tuition, every time.

WITH OUR EXPERT TUITION, YOUR CHILDREN CAN REACH EVEN GREATER HEIGHTS.

Call today to book your free assessment, or to discuss any concerns you may have about your child’s progress.

Register now to win the Quality Food Services Primary School Challenge!

Dear Principal,

Your school is invited to participate in the 2015 Stafford City Brook Run – Quality Food Services (QFS) 2km Primary School Challenge on Sunday 26 July 2015!

Students can run, walk, skip or hop their way along the 2km course to earn points for your school while enjoying the health and wellbeing benefits of being physically active. There will be individual prizes for students to win and also a chance for your school to win $500.

The QFS 2km Primary School Challenge encourages participation with a $500 QFS credit to the school with the most entrants and another $500 QFS credit to the school with the largest percentage of enrolled students participating. So it’s not just a prize for large schools!

Of course the fun doesn’t stop there! Join us at our family-friendly event village where you will find activities for the kids, a variety of hospitality options supported by local businesses; prize-giving and so much more.

Register now at www.brookrun.com.au

The Stafford City Brook Run is a community-inspired event that is in its third year and is shaping up to be one of the most exciting and family-friendly running events in the Brisbane calendar. This is more than just a fun run. It’s an important way to support our 2015 charity partner, the AEIOU Foundation, as well as your local Brisbane Inner North Sporting Communities (BINSC).

Your staff and families may also like to be involved by volunteering their time to assist with the organisation of the Brook Run in the lead up or on the day of the run.

Attached is a short newsletter article about the run that you may wish to place in your weekly school newsletter or on your school website or Facebook page.

For further information please visit www.brookrun.com.au or contact us at info@thebrookrun.com.au.

Thanks for your support.

Queensland Food Services and the Stafford City Brook Run Organising Committee

The clinics have been developed by Cricket Director, Rich Heilbron (Level 3, B.Ed, ADSS) and will be conducted by members of Premier Cricket’s qualified and experienced coaching staff. Numbers per session have been kept small to ensure quality coaching for all players. Clinics are offered subject to minimum numbers. Premier Cricket reserves the right to alter clinic format and/or offer alternative coaching options.
