Dear Parents

Franciscan Week is a very special time in the Padua calendar. It strongly reminds us of our Franciscan heritage and gives us time to reflect on and examine the important elements of living a Franciscan life. The highlight of the week is the Mass celebrating the feast of St Francis. Although not held on the actual Feast Day (4 October), it is still an important occasion of reflection and in some cases education as we examine various aspects of the life of this great and very popular saint of the Church. Many thanks to Mr O’Brien, Mrs Farry and all of the teachers who contribute so much of their time during this special week.

During this week, we are reminded of the absence of our special living Franciscan, Fr John. I visited him in St Vincent’s Private Hospital this week and in his own words, he is making ‘slow but steady progress’. Fr John is in good spirits and he is very appreciative of any visitors, especially on Sundays—a slow day in hospitals.

One of the very Franciscan traits that we celebrate this week is Community. This reminds me that we all have the opportunity to celebrate community this month by attending the Padua College Race Day on 31 October. This day is always a very enjoyable one for those that attend and there are limited tickets. This year, there is an upgraded food and beverages package and we are featuring those Old Boys who are celebrating any multiples of year 10 reunions i.e. 10,20,30 etc. So if you wish to join the Padua Community on Derby Day, please go to the website and click on News & Events and then School Events Calendar and then on the Padua Race Day 31 October. I hope to see you there.

Next week, on the 12th and 14th October, we are holding Technology Information Evenings related to the change from iPads to Laptops. These are very important evenings and it is essential that a parent of each student attend one of these evenings.

Looking at the calendar, there are many events coming up over the next two months that may require your attention. Please consult the Padua Calendar and make the time required for applicable events for you and your son. Many thanks and best wishes for the next fortnight.

SAINT FRANCIS OF ASSISI: 1182-1226
FEAST DAY: 4th October

We are as educators living in challenging times, our vocation is seen in the minds of many, to be supporting the thesis that education is simple about learning marketable skills. The embrace of money has become the measure of all things - this obsession has captured governments as they prepare to sell, sell, sell - be in coal, farmland, water resources - all at a time when cuts to services and benefits especially for the most marginalised is on the rise!

We have also witnessed, at least up till recently, hysterical responses to so called threats from ISIS terrorists - the refrain is "they are coming to get us!" Our schools are increasingly home to eating disorders, substance abuse, addiction, depression, broken homes, domestic violence, perverted understanding of human sexuality fed by the pornography of the internet, and an addiction to Facebook. If education in its root meaning is to "lead forth", then it is our vocation to lead forth the powers that lie asleep in our students. We are in our schools to awaken and to inspire. Especially in this digital era, we must guard against the preoccupation with process and programs over people, with means over ends, with which are so much the features of the technocratic mind.

In the life of Saint Francis of Assisi we find another vision, a vision that speaks of the holiness and beauty of all creation. Concern for the poor, the outcast, and those on the margins of society was the central theme in the life of Saint Francis of Assisi. He is the saint of our time, because he stands in the tradition of powerful demands for social justice - of what true humanity is all about - a figure who has been called "the morning star of the Renaissance." Those under our care, as never before, need to hear the vision of this eccentric charismatic little Italian. In his almost childlike cheerfulness and generosity, he is the most human of human beings. As Pope Francis described him, "the man of poverty, the man of peace, the man who loves and protects creation."

The problems he confronted head-on are the problems we are grappling with right now - involvement in war, the growing gap between the poor and the rich in our country, corruption in politics, business and the unions, social exclusion, and the systematic rejection of those who seek a home in the Lucky Country. The life and message of Saint Francis were uncompromising, simple and clear. Greed causes suffering both for the victim and the perpetrator. What do our young people see, what do they learn, when bankers and CEO'S award themselves enormous undeserved bonuses, while others suffer? Where is the generosity, or the justice when those who are granted millions of dollars each year, hide their money in offshore investments so to minimise their tax. Saint Francis believed that living with that sort of mind-set, with that sort of attitude was morally, socially and spiritually destructive.

While those we teach saw our previous Prime Minister don the garments of war, and send our young men and women to the Middle East in a religious war he clearly did not
understand, we remember Francis who took off to the Middle East to stop the war with the Muslims, and
who made such an impression on them, that they quite unusually just let him go. Is it a hero or a mad-
man who today would go off to Syria to try and stop the war there? Contrary to the fawning of our socie-
ty to the pop musicians, the drug obsessed entertainers, and arrogant sportsmen and women, Francis
had a charming disrespect for those in high places, for the rich and famous. When he first walked to
Rome, and saw what Rome was like, he exploded. He publicly criticised the greed, wealth, power, venali-
ty, worldliness, corruption and emptiness of it all. The powerful Pope Innocent III could hardly believe his
ears. Nobody had ever spoken to him like this - here was this poor "nobody" telling him that the church
the Pope rules was against Christ. Francis was briefly jailed for this outburst, but in the end the Pope let
him go.

The story of Saint Francis forms a vision of life that stands in stark contrast to the aspirations of our age,
our technological moment defined most of all by the inter-play of freedom, pride and peril. In Francis we
see a Christian faith in that God whose nature is Love - an affirmation that reaches beyond all suffering to
the ultimate goodness of life. If in a confusing world inhabited by those we care for, there is Francis torn
and tattered, frail and needy, but ever joyful in the freedom of love. The same man that greeted the glory
of the dawn sought out the silence and solitude of the cave, and the same hands that stretched out in
joyous welcome to the little birds, bore the very marks of the wounded Christ. Francis of Assisi provides
all of us with a startling juxtaposition to the ambitions and appetites that drive our images of so-called
perfection. Ours is not the task in schools, of turning out "excellent sheep", nor for tendering an assembly
of robots on Prozac.

Inspired by the vision of Francis we can offer a vision of a different
world, where we are attentive to the lonely, the depressed, the outsid-
er. Here we share more equally the abundant wealth of goods and life
itself as we focus on right relations to the earth, and to all of our sisters
and brothers. The pantheist language, the scruffy clothes and Francis' cam-
aign for social justice are a good antidote to the toxic body images of the young, and the religious deification of wealth we struggle with
today.

Wise Choices

Our lives are full of choices, and they vary in importance. There are very important choices and they will frame the
person you hope to be. These are fundamental choices that have to do with your character. For instance, will I cheat
and be a thief? or be honest, will I live by my commitments or not? will I be a caring and loving person or not?

I think of all the valuable life skills a person can acquire, the most important is the ability to make wise choices. If as
young people we have parents who lack mature decision making skills, then it puts us at a disadvantage-because
we learn so much from our families. Add to which there is pressure from our friends, other family members, and the
society in which we live- advertisers use every psychological trick there is to influence our decisions. No wonder we
can be confused!

There are many elements that go to making wise choices. One of the most important is consequences. Before you
make a choice, ask yourself, "what will be the likely result for me and for others?" So just think before you decide.
Don't make decisions based on instant gratification. Don't worry too much about what others think, don't blame
others, and don't postpone decision making. Live by the thought-out decisions you make, and live by the conse-
quences of the choices you make. That is real maturity.
On Wednesday of this week, the year 12 students participated in a road safety program delivered by the RACQ. Docu-Drama focuses on wise choices and driver responsibilities for young drivers and passengers.

Beginning with a real life re-enactment of a road crash, involving police, paramedics and funeral directors, the program aims to ‘shock’ students into the realities of road trauma and then educate students on wise decision making.

Thanks must go to Daniel Quaglia and Lachlan Parker for playing lead roles in the dramatization of the crash scene and to Karen and David from the RACQ who coordinated the event for the College.

On October 28, all students in Years 11, 10 and 9 will attend the AIC athletics championships at QSAC as spectators. This is a compulsory day for students, unless they have pre-organised and regular College work placement / TAFE. We wish our athletes all the best in their endeavours on this day.
Year 9 Camp

Best of luck to all of the Year 9 students attending camp in the coming weeks. A reminder to all families that the outdoor education program is another compulsory element of the College calendar. All students are expected to attend. In addition, all boys need to be present at school at school by 8am on their day of departure to ensure they are ready to leave at 8:30am.

Year 6 Transition Program

Our transition program has begun for the Year 6s moving onto the Assisi Campus in 2015. Watch this space for more information from our College Transition Coordinator – Mr Brendan Downes.

Student Absence

In the event a student is absent or is going to be absent, all families should prioritise contacting either:

The College Absentee Line: 3857 99 00

College Absentee Email: absent@padua.qld.edu.au

All Absentee information should come from a parent, guardian or carer. Students emailing their own absentee information will not be accepted.
Dear Padua Families

Buona Festa! (Happy Feast Day!) Last Sunday Franciscans around the world celebrated the life of one Francis of Assisi. Probably the best known saint in the Canon of Saints, St Francis still challenges and inspires us from his spiritual home in Assisi. His efforts to ‘rebuild the church’ resonate even in 2015 with Pope Francis. May his love of life, creation and God be yours this week and always.

As this Bulletin goes ‘to print’ Padua is the throes of celebrating our annual Franciscan Week. On Wednesday boys had the opportunity to wear casual dress. Gold coins collected will be distributed among Rosies ‘Friends On The Street’, Catholic Mission and Greccio Campus Environment Club’s regenerated garden. Fr Anthoni and the friars from Kedron will join us in celebrating the Feast Day of St Francis on Thursday morning. Mitchell House travel to Wet n’ Wild on Friday as their reward for winning the House Completion this year. Add to this our daily Franciscan Reflections, lunch time Rosary, FCIP music performances and you get a sense of the range of the celebrations we have planned for this week.

By now you would know that Fr John has been ill and is in hospital recovering. A number of students, staff and families have visited him while he was in North West Private Hospital, Everton Park and now St Vincent’s Private Hospital, Kangaroo Point. Thank you to everyone who has kept in their thoughts and prayers over the last few weeks. Last night he was in good spirits when I visited him, talking about the great progress he was making in his rehabilitation. He would love to see you. He is current on Level 1 Bed 27 in St Vincent’s Private.

Early last Sunday morning a tired group of 14 pilgrims returned back to Brisbane. Fourteen days travelling Italy through Rome, Assisi, Florence, Padua and Venice forged some strong friendships, further deepened Franciscan understandings and created avid bargain hunters in the markets and stores of various places. Churches, galleries, cafes and the odd museum were on the agenda for two weeks away. Fr Joe Rozansky was our chaplain on the pilgrimage. Fr Joe led us in celebrating three Eucharists on the journey. When do we go again? people asked me. If, in two years there is enough interest in another pilgrimage I would be very happy to lead them!

Graduation Week you say! The planning has already begun for this year’s ceremonies. Year 12 Parents – please check with your son that we have a baby and a Year 1 photo already in our files. You also have a task to complete that is needed for the Graduation Mass. I hope you are not finding this task too daunting, but instead it is nostalgic and memorable and affirming. Your sons will be doing something similar in the next couple of weeks. We look forward to graduating another cohort of boys in several week’s time.

The sun shines brighter, the North Qld Cowboys rule the roost (for this season at least!) and we make our way slowly to the culmination of another busy year at Padua.

Pace et bene!

Please pray for those who have died
With the end of year fast approaching, I ask that you consider your son’s assessment schedule before planning for an early finish to the school year. The practice at Padua and given that Term 4 is short, is to have assessment in the last week of term. External Exam Blocks are scheduled for Years 10, 11 and 12, and Internal Exam Blocks are scheduled for Years 8 and 9. Exam Timetables and Assessment Calendars are currently available online for Term 4 for all Year Levels, however, these are subject to change and are a guide only. Exam Block Timetables will be published later this term.

Year 12 (External) – Monday 9/11 to Tuesday 17/11
Year 11 (External) – Friday 20/11 to Friday 28/11
Year 10 (External) – Monday 23/11 to Friday 27/11
Years 7-9 (Internal) – Tuesday 25/11 to Thursday 27/11 (Exams and study times allocated)
Years 5 & 6 – No formal exam block will be allocated – Students will sit exams and submit assessment as stipulated by the teacher – The Assessment Calendar published online is a guide only.

For External Exam Blocks, students are only expected to be at school when they have an exam.

For Internal Exam Blocks, students are expected at school for the entirety of each school day.

Please note: As per my last Bulletin article, should you make the decision to remove your son from school in the last week of term, he will miss assessment and in those cases, an Incomplete (INC) will be awarded for any subject where assessment is missed due to a Term Time Absence.

Student Support

A common question that parents often ask is what support Padua offers for students. The boys are well aware that our Assisi Library is open from 7:25am every morning, and closes at 4pm every afternoon. In addition, our Head of Senior Studies, Ms Dwyer, opens Sem 4 most lunch times as a senior study room for Years 10, 11 and 12 and our Academic committee runs peer tutoring sessions once a week for students in years 8 to 10. In addition, the Mathematics Faculty run tutorial sessions for boys in Years 7-12 throughout the term and your son is emailed regarding these opportunities. If your son requires additional support, he should speak with his teacher directly, utilize the Library or avail himself of one of the study, peer or faculty tutoring sessions.

Student and Parent Portal

As part of our ongoing process of continuing to improve communication, the College has launched a Student Portal and will be launching a Parent Portal for the beginning of 2016. Your son is now using the Student Portal to access his timetable and was emailed the link this week and taken through the process on the first day of term. The portal link is also available on the front page of the College Website in the top right hand corner. The username and password for students is the same as their standard Padua username and password. Information regarding parent access to the Parent Portal and the information that will be available on the Parent Portal will be published in due course.

Semester 2 Reports

Semester 2 Academic Reports will be made available to parents in the Week Commencing December 7. Reports will be emailed home as per our usual practice and should the Parent Portal be available, will be available through the portal as well.
Welcome to Term 4. Hopefully your son enjoyed some ‘technology free’ time over the holidays enjoying the sunshine!

This term is going to be a very busy term with parent information nights for the new devices for 2016 and preparation for the changeover. Just a reminder that these nights are on the Calendar for next Monday 12th October and Wednesday 14th October in La Cordelle. (see Date Claimer) The same information will be presented on both nights with representatives from Datacom available to answer any questions you have regarding the options available. They will also have sample devices available for you to have a look at.

With the impending changeover of devices, I would like to remind you that your son needs to have a working iPad until the end of the school year. If your son’s iPad is not repairable and you have no other iPad or iPad mini at home that can be used until the end of the year, please contact me via email to discuss alternative arrangements for the remainder of the term.

This process will be monitored through myself and Teaching and Learning and will be dealt with on a case by case basis. In the event that you do not have access to an iPad or iPad mini the College will endeavour to put measures in place for limited access to technology to assist in supporting your son until the end of term and these will be discussed with you when you make contact.

Another reminder that the return to school means a return of iPads to school devices. Your son’s iPad will have been checked by PC Teachers this week to make sure that they are ready for school. If you need to get your son’s screen repaired and it is no longer under warranty, try Mobile Solutions Shop 6B 328 Gympie Rd, Strathpine. We have had a number of students go here with good results and reasonable prices.

I look forward to seeing you all next week at the information nights – here’s to a very busy term!

P&F General Meeting – Tuesday 13 October 2015

If you have set yourself a goal to attend just one P&F meeting this year, your time is running out, with only 2 meetings remaining for this year.

The last P&F General Meeting for 2015 will be held on Tuesday 13 October 2015 commencing at 7.30pm. This is a great forum to:

Find out what’s happening at the school (current and future);
Find out how the P&F Committee are assisting the school and the school community;
Put forward suggestions on topics for visiting speakers and possible areas of improvement/parent suggestions

P&F Annual General Meeting (AGM) – Tuesday 10 November 2015

The final P&F Meeting for 2015 will be held on Tuesday 10 November, and will commence with the AGM followed by the General Meeting. At the AGM, all positions will be declared vacant and nominations called. If you are interested in nominating for a position, please complete the P&F Committee 2016 Nomination Form located on the college website http://www.padua.qld.edu.au/community/associations/parents-and-friends/

This form can be submitted to the P&F Secretary prior to the AGM via the P&F email address pandf@padua.qld.edu.au or you can bring it along with you on the evening.

Everyone is welcome to attend these meetings, so please come along and show your support to the P&F and the College.

All P&F meetings are held in the staff room, located in St Francis Hall and start at 7:30pm with a light supper provided afterwards.

PASTORAL PARENT CARE PROGRAM
Assisi Campus

September, 2015

Dear Year 7-12 Parents,

We would like to remind our parent community about Padua’s “Parent Pastoral Care Program”- PPC which is part of the Padua P&F Association and is aimed at bringing families together to “enhance the Franciscan value of hospitality and welcome”. We are in the process of planning and forming the 2016 Parent Pastoral Care Committee with proposed co-ordinators for Year 7-9 and Year 10-12.

Assisi Campus Year 7-12

At the Assisi Campus, parents interested in volunteering are welcome to join the PPC Committee. PPC House Committee volunteers are able to nominate to support the school for various activities. These activities could be any of the following;

- Leader(s) of Volunteers for House Eucharist in tuckshop set up/pull down of Supper
- Volunteering at House Eucharist in tuckshop set up/pull down of Supper
- When required provide a meal for a family during a difficult time.
- Organise the occasional get together with parents of their child’s year level at various school events or create their own event.
- A distributor of emails using contact lists to invite parents to support any of these activities.
- 2016 Pastoral Care Coordinator for Year 7-9 to assist with above activities.
- 2016 Pastoral Care Coordinator for Year 10-12 to assist with above activities.

Each person’s contribution or role in the committee is small but combining all these activities create a big impact on our school community. If you would like to find out more information please email your expression of interest to pandf@padua.old.edu.au.

Please find the following form for you to nominate your interest in a volunteering role to assist and be a part of 2016 House Committee.

Alternatively, meet me at the next P & F Meeting held on Tuesday 13 October 2015 at 7.30pm in the St Francis Hall and ask any questions prior to or after the P & F meeting.

Thank you for your support.

Dianna (Di) Morris

2015 Parent Pastoral Care Coordinator Year 7-12 Assisi Campus
# PADUA PASTORAL PARENT CARE PROGRAM

**Pastoral Parent Care Committee**

We encourage your involvement to enhance the values of Franciscan hospitality and welcome in the Padua community. Please volunteer to join the Pastoral Parent Care Committee. We won't ask too much from you, just meeting with your parent-teacher representatives to coordinate parent support for year level and House activities. This might be to organise the occasional get together with parents at (or separate to) school events, and support families should the need arise. The committee will only meet once or twice per year. Please complete this 'Nomination Form' and we will be in touch with more information. If you have any further questions, please email padua.old.edu.au注意力 Pastoral Parent Care – Assisi Campus.

I would like to nominate for a role and participate on the Pastoral Care House Committee at Assisi (Yr.7-12) for 2016. I have ticked any preference. House Committee Member, House Eucharist Leader, House Eucharist Volunteer, Pastoral Care Coordinator for Yr. 7-9, Pastoral Care Coordinator for Yr. 10-12. My son belongs to House.

## Contact List (Only complete if you are not a contact list for 2015)

Each year we compile a contact details from Padua families and then distribute the list to each family with children in the same House as their son. Many parents use this when trying to coordinate sporting event schools and it helps to strengthen connections and partnerships in the school community. If you would like to be included, please complete this 'Padua Pastoral Parent Care Program Contact List' form and return it either via email to Padua@padua.qld.edu.au or to the Padua office. The list will be distributed near the end of 2015 or end of Term 1 2016.

On the last day of term 3, the FCIP Rock Band rocked the house (well, San Damiano) with a fantastic concert for the St Anthony's students who dressed as rock stars for the day. The band played for almost an hour, entertaining the crowd with songs like Uptown Funk, Black Betty, Time Warp, Best Day of My Life, and Walking on Sunshine. Congratulations on another great performance and thanks to the students from St Anthony's for their gold coin donations which will go towards the FCIP.
