Dear Parents

This week we farewelled the Year 12 students from formal class. They attended their last Assembly, where some of them were acknowledged for completing their Diploma of Business.

Simon O’Rourke
Brandon Rawlings
Joshua Want
Jackson Beasant
Jack Walsh

And others were acknowledged for gaining an apprenticeship, thus giving them a great start in their lives post Padua.

Louis Bosciano       Lochlan Perrett
Daniel Rivers        Alex Bowman
Jamie Salomone       Joseph Bradbury
Louis Schwenke       Lawson Creighton
Julian Trombetta     Mitchell Herbert
Jesse West           Julian Mahoney
Sean Gardiner        Billy McIntosh

Throughout Term 3 and 4, the Year 11 students have been engaged in a leadership program culminating in their nominations for student leadership positions in 2016. The staff were also consulted about their nominations. It is my pleasure to announce the following leadership positions for 2016. A hearty congratulations to the families of these fine young men.

Ethan Down           College Captain
Lachlan Caldwell     College Vice Captain
Sonny Ah San         Beirne House Leader
Arran McNamara       Beirne House Leader
Connor Bull          Boyd-Boland House Leader
Owen McCarron        Boyd-Boland House Leader
Last Sunday, the leaders and their families celebrated Mass with Fr John and then they attended a camp from Sunday to Tuesday. Their enthusiasm was obvious, culminating in a plan with goals and strategies for next year.

As we head into the last three weeks of school, I would ask parents to be mindful of their sons assessment commitments. The prize Giving Evening is on Wednesday 18 November 2015. I commend it to you as a showcase of Padua talent across the spectrum.

I have no doubt that the next three weeks will be busy.

Best wishes for a good end to the year.

Many thanks to you all for your loving support for me in my six weeks in hospital. Your prayers, visits, cards, flowers, texts, phone calls were all much appreciated. After last Friday’s lunch time Mass I started to wonder if Padua was a community or a family. I think family better describes what we have on the hill. Family is the last line of reason in a world of anonymity, a world that still allows hundreds of millions of children to go to bed hungry every night. Without family we are just a tribe of nomads, cut adrift, disconnected, wandering the earth with neither time, nor story, nor place, nor history to give our lonely souls a home.

I think we all yearn for closeness, yet can’t seem to find it in our instant - internet-dot-com age. Not so here at Padua. I looked from the sanctuary of the Kedron Parish Church on Friday lunch time. I saw the gentle boys, the raw and fragile kids, the rough tough, and laughing lads. The cocky adolescent, and not-so-sure struggling teenager. They were coming together as family. Although they might not recognise it, or feel comfortable, they came together as brothers, and looked over by their caring and devoted teachers - loco parentis to them all.

All those different boys who have directly and indirectly picked up something of the spirit of St Francis. It is for me a great blessing to be part of that family. These boys have listened to the collective invisible drum beat of what it means to be a Paduan. It is our song, and we hear it above the sounds of traffic and aircraft flying overhead. We can seek the wisdom of the ages, but look at the world through the eyes of those we teach. There we have much to learn, and much to wonder upon.

At the very end of his life, Jesus gathered his friends together; all this is described in the final pages of John’s Gospel. The overriding message is that we are to love one another. This love is to be universal and practical. There should be no one exempt from this love. Our loving others can be a real challenge, because for most of us there are people we don’t like!

"Whoever keeps my commandments is the one who loves me. If he loves me, he will be loved by my Father." John 14:21
Last Thursday, our 40 newest students and 140 existing Year 6 students attended the 2016, Year 7 Orientation Day. Students were involved in ‘getting to know you’ games, an orientation of the College, sports trials and learning about their future House.

**Year 9 Leaders**

Congratulations to the following boys who have been selected as the Year 9 Student Leaders for Term 4 of 2015. Well done gentlemen.

- **BEIRNE**: SAM KRAUSE, TOM BRUNKER
- **GRIGG**: LACHLAN GILL, JOACHIM MENNIS
- **KIRBY**: EMMANUEL ROSSITTO, JOSHUA GAYTON
- **MITCHELL**: BRENDAN SHARRY, JAMES WALKER
- **ODORIC**: JACK HYLAND, REGAN MOORE
This week the Year 12 students will commence their Term 4 Exam Block, with the Year 10 and 11 students beginning their Exam Block in a matter of weeks. Could all families please be aware that should your son be in Year 10, 12, there are certain conditions he must meet as a part of his exam block privilege;

- **During exam block, students should either be at home or at school studying.** Students are not permitted to increase their regular work commitments during this time. Regular work placement/School based apprenticeships are the exception.

- **When transiting to and from the College, students should not be at local shops, shopping centres etc.**

- **When attending school, all students should be in full school uniform, including hats. Students should also meet the usual College expectations regarding hair and grooming.**

- **Students should arrive to school at least 30 minutes before each exam and will be required to attend for the duration of their exam.**

- **Any failure to meet these exam block conditions may see a student’s privileges revoked.**

**Year 12 Responsible Service of Alcohol Course**

Congratulations to the Year 12 boys who over the last few weeks completed their Responsible Service of Alcohol course. The online course offers a nationally recognised certificate and enables the holder to work in licensed venues across the country. It is also a major part of the College’s pre schoolies education program.

**General Expectations**

Families are reminded that all the normal College expectations regarding uniform, grooming and appearance should be adhered to until 3pm on the last day of school this year. In the event of ripped or damaged uniform, parents are asked to please replace or repair their son’s uniform accordingly. This same expectation also applies to the College hat.

**Problem Solving and Resilience:**

Resist always bailing your son out when he fails. Try saying “That’s disappointing, how are you going to solve this problem?” Teaching problem solving is teaching responsibility and resilience.
Dear Padua Families

On Wednesday and Thursday the school hosted the visit of one of the mobile Red Cross Blood Van. Approximately 30 – 40 staff and students made bookings for donations each day. One donation can save up to three lives. Thank you Padua for your generosity once again.

This coming Sunday will be the last night Paduans fill a roster for the Rosies Street Van in 2015. This year we have helped serve on three vans – Logan, Brisbane CBD and Aspley. The experience received by everyone involved has been invaluable. Working on a van is a unique event. Tea, coffee and conversation is all we do but that is all you need. Thank you to all the Year 12 students, Paul Garufi and Annabel Poppleton for their generosity of time and spirit throughout the year. 2016 will see us back on the vans.

In two weeks time the College officially farewells our Year 12 students in a number of ceremonies and events. The Vale Liturgy on Thursday 19 November followed the Graduation Mass and Dinner on Friday 20 November are the highlight events. It is amazing to see that are at that point in another year that we send forth another class of graduates. Good bye, farewell, good luck boys!

Peace and all good to you all!

As we near the end of the year it is important that your son continues to have a working iPad until the last school day. In order to assist students and parents with this, we have a very small number of iPads that are available for **short term** loan from the Library.

If your son’s iPad is beyond repair, please contact me at the College and I will organise for a permission letter to be sent home for your signature. The main details of this letter are outlined below:

- the device is joined to the College network and is subject to all previous user agreements signed by you and your son
- **any damage to the iPad will be the responsibility of the parent/s to repair by a repairer nominated by the College so as not to void any warranties**
- access is only available to internet resources – Blackboard, research. There is no access to email or apps on the loan device
- **the iPad is to be collected from Assisi Library at the start of the day or period required and returned at the end of the day or period required**
- subject specific software can be accessed through Citrix using a windows based machine
- the absence of an iPad is not an excuse for incomplete classroom, homework or assessment tasks
- there remains an expectation that class time will be used effectively
- students will be expected to access a computer at home to continue or complete work which cannot be done at school. Where there is not a computer at home, students in Years 10 – 12 should be taking advantage of additional study sessions offered by the College.
- should the device be used inappropriately, students will be subject to the same disciplinary action as misuse of the iPad and may forfeit their permission to use this device during class time

You will be required to sign the tear off at the bottom and return it to Teaching and Learning where we will then keep a record of those students who can borrow iPads.

Please be aware that there will be **no access to email or apps** on these devices – they are only for accessing Blackboard and research tasks.

As we near the end of the iPad program for most students, please keep an eye out for information in the next Bulletin showing you how to remove your son’s Padua email from the Apple ID account. This will allow you to continue to use the account on a home email which is recommended should you need to reset passwords.

Franciscan Colleges Instrumental Programme

presents the

2015 End of Year Concert Series

*Intermediate Concert - 6:30pm, Mon 26th October *
* Senior Showcase - 7:00pm, Fri 30th October *
*Junior Showcase - 6:30pm, Mon 9th November *

San Damiano Centre, Somerset Road, Kedron

We invite you to come along with your family to one or all of our concerts to share in the pleasure of music with others.

**** Free Entry ****

Donations will be accepted on entry if you wish to contribute to the purchase of new instruments.
On Monday 26th and Friday the 30th October the students involved in the Intermediate Strings, Intermediate Concert Band, Wind Ensemble, Jazz Ensemble, Senior Concert Band, Senior Big Band, Percussion Ensemble One, Percussion Ensemble Two, Senior String Orchestra and the Rock Band took part in their end of year showcase concert. This for them is the equivalent of a Grand Final. The major difference being, that these children and their teachers (coaches) have been practising (training) for this for the whole year, not just a season!

The quality of the music produced by these students was sensational, particularly considering the level of difficulty involved in the pieces performed. It was indeed a credit to the teachers, the students themselves (many of whom are involved in two or three different ensembles) and their families, for supporting the students by ensuring that they arrived for rehearsals on time and by encouraging practise at home all year long!!
The concert series is open to everyone in the Franciscan community and extended family and friends. If you were unable to attend this year, please make it a priority to mark it in your diary for next year as it is a thoroughly enjoyable night. It is wonderful for the students and teachers to see that they have the support of the wider school communities, not just the families directly involved with the programme. After all, these talented youngsters (and their teachers) spend many hours during the year performing for and enriching special events/evenings to support the three schools.

At the senior showcase it was time to farewell some of the members of the FCIP, as they will be leaving school at the end of the year. These students made a wonderful speech about the gifts that belonging to the FCIP had brought to them. One of the major bonuses seemed to be the fact that it brings the three schools together and wonderful friendships are formed.

If this has you intrigued, it’s not too late to show your interest and/or support. The final series in the showcases is the Junior Showcase which is happening at 6:30pm on Monday 9th November in San Damiano (Mt. Alvernia). It is FREE!!! However, if you’d like to make a donation at the door, this will go towards purchasing some new instruments. Hope to see some of you there.

Contact List (Only complete if you are not a contact list for 2015)

Each year we compile contact details from Padua families and then distribute the list to each family with children in the same house as their son. Many parents use this when trying to coordinate sporting event car pools and it helps to strengthen connections and partnerships in the school community. If you would like to be included, please complete this ‘Padua Pastoral Parent Care Program Contact List’ form and return it either via email to pandf@padua.qld.edu.au or to the Padua office. The list will be distributed near the end of 2015 or end of Term 1 2016.
