Dear Parents

As you may be aware, last year Padua engaged an IT consultant to do a review of Padua’s current IT provisions and to provide some recommendations for future IT provision. Since that report, we have been looking at future directions especially in relation to platforms and devices for students and staff. We are now at a stage when we can share those deliberations with parents. Next Tuesday evening at the regular Parents and Friends meets (at 7.30pm in Seminar Room 4 of the St Bonaventure Centre), Mrs Tanya Anderson, the Head of E Learning, will give a presentation on the immediate future of IT at Padua. All interested parents are warmly invited to attend.

As reported in the last Bulletin, Padua College held its AGM on Friday 22 May 2015. The Definitory (the friars who run the Australian Province) were very impressed again with the school and enjoyed their very brief visit.

Many of you would have been privileged to see the Padua/Mt Alvernia Musical—‘Hairspray’. If you did, you would have been able to attest to the fact that there are many very talented young women and men in both schools. The musical was a tribute to the hard work of many staff from both schools, particularly Mrs Amanda Bopf, the Director and from Padua Ms Sarah Landis, Ms Courtney Crawford and on the orchestra side, Mr Trevor Beyer and Mr Richard Twedell. Congratulations one and all on a wonderful event.

Coming into the closing rounds of Football, Rugby and Chess, the boys should also be organizing themselves for their assessment and exams. Any assistance that you can provide in terms of time management and encouragement, I am sure would be very valuable to your son/s.

Best wishes for the coming fortnight.

Pace e bene
Robert Out
If the media is any indication, Australians seem to be fascinated and fixed on money. The analysis of Federal Budgets and never-ending commentary, with a mantra of “what's in it for me?”, seem to belie the notion that we are a fun-loving, relaxed and sporting nation. In this atmosphere, there has appeared a thought provoking book ‘What Money Can’t Buy: The Moral Limits of Markets’, by Michael J Sandel. The author asks the ethical question, "Are there some things that money can buy but shouldn't?" He believes that we lose our sense of being human when we apply market principles to everything; that we lose a sense of community, and a sense of history when it seems everything is about money. It appears everything is up for sale. Lang Park is now Suncorp Stadium, Docklands is now Ethiad Stadium, the Sheffield Shield became the Pura Cup. Observe the Sydney development "Barangaroo" where James Packer's money takes precedence over the public good - it seems to be all about maximising the profits Packer can make.

Children are bought by private schools (sporting scholarships) on the basis of their sporting prowess! Now the government is debating selling permits for people to take up residence in Australia. Fortunately, here in Australia, we have not yet taken to selling our blood, as you can do in the U.S. There seem to be a growing trend to calculate the monetary value or dis-value of children. How much they cost; in this calculus, the notion that "we are in this together" is increasingly eroded.

I think all of us recognise that there are things that are NOT for sale, like friendship, and children, maybe some things that should not be sold, like public land and amenities. But sadly today there is many an economist who sees human beings as lonely robots, and that his Holy Grail is efficiency. It is all about money! Sandel's book, whether you end up agreeing with it or not, should make us think hard about what we value and why.

**LOYALTY**

These days loyalty seems to used most often with "loyalty" programs- as in frequent flyer users, or brand loyalty, where a person repeatedly buys from the same manufacturer. More importantly loyalty is about inter-personal relationships. We are loyal to another person when that person knows we will faithful and trusting. There is a special and strong bond between people who are loyal to one another.

It is within the family that loyalty is most strong, then it is among true and lasting friends. When we speak about being loyal to our country, it means a special relationship exists between ourselves and the values our country stands for. Maybe for some who hold dual citizenship there can be a problem. Then there is loyalty to our job. This means punctuality and the proper performance of the tasks that you were employed to do. Finally, loyalty is about commitment. Being loyal to another means that we are reliable, true and trusting in that relationship.
School Related Stress

As the Bulletin is written this week, there is only one school week until Year 11 and 12 exams and three weeks until mid-semester holidays. Following the holidays, the term is broken up by the Exhibition break and includes the QCS Test for the year 12s and the Padua Leadership Program for the Year 11s.

In a time where school will seem to go very quickly, especially for our older students, it is important to recognise that the boys across all ages, will feel the pressures of exam deadlines, test stress, co-curricular and family expectation.

In an effort to assist your son during this time, it is a great idea to become increasingly aware of his current commitments, his exam timetable, assessment calendar and other commitments. Your ability to help him plan to study effectively, maintain routine and sleep well will be extremely beneficial in reducing his school related stress in the coming weeks.

If you think your son is a candidate for school related stress, it would be worthwhile reading the article at the link below. The article is written by the American Psychologists Association and explains key identifiers of school related stress in students.

While some school related stress is normal and actually beneficial for boys in developing resilience and coping strategies for life, should your son experience overwhelming school related stress, our College Counsellors are contactable on:

Assisi Campus: Sally Dwyer [sdwyer@padua.qld.edu.au](mailto:sdwyer@padua.qld.edu.au)

Greccio Campus: Julia MacDonald [jmacdonald@padua.qld.edu.au](mailto:jmacdonald@padua.qld.edu.au)

Year 11 PALS

Last week the Year 11 students were visited by representatives from the Tamblyn Modelling and Finishing School. The boys were addressed on a wide range of topics including deportment and grooming, the importance of first impressions, personal hygiene and interview techniques.

The presentation was a huge success with the boys learning tips and tricks that may one day gain them employment.
Year 6 Camps

Last week I had the privilege of visiting four classes on their Year 6 camp. I was thoroughly impressed with the boys’ archery and climbing skills. It was great to see the boys enjoying the surrounds and activities at Amaroo. Thanks to all the Year 6 teachers, Mr Webb and Mr Casey for giving up their time to spend with the boys while they are away.

Exam Block – Year 11

Before the next Bulletin, the senior students begin their Term 2 exam block. Could all families please be aware that should your son be in Year 11 or Year 12 there are certain conditions he must meet as a part of his exam block privilege;

- During exam block, students should either be at home or at school studying. Students are not permitted to undertake extra duties at work (unless previously organised) during this time. Regular work placement/School based apprenticeships are the exception.
- When transiting to and from the College, students should not be at local shops, shopping centres etc.
- When attending school, all students should be in full school uniform, including hats. Students should also meet the usual College expectations regarding hair and grooming.
- Students should arrive to school at least 30 minutes before each exam and will be required to attend for the duration of their exam.

Any failure to meet these exam block conditions may see a student’s privileges revoked.

Parent Tip of the Week: The 3:1 Rule

Maintain a positive balance in your relationship with your son. For every constructive criticism you offer him, balance it with 3 positive interactions!
Dear Padua Families

The chills of winter are here! How quickly the seasons change – warm one day, wintry the next! The Jewish scriptures talk about the importance of the seasons and the passage of time year in and year out. We need ‘all times’ during our year to appreciate one from the other. How can we savour the warmth of summer days when we haven’t had the cool of winter evenings! Rug up everyone, stay warm and while you do remember those who may not be as fortunate as us at this time of the year.

Over the last few weeks the Franciscan Friars have been meeting in Assisi to elect their next Minister General of the Order. Australian Franciscan Fr Paul Smith, Provincial Minister of the Holy Spirit Province of Australia, New Zealand, Singapore, Malaysia and Brunei, has been at this meeting. Fr Paul, as you may know is an Old Boy of Padua and a regular visitor to the college.

Fr Michael Perry OFM from the USA was elected Minister General for the next six years. Fr Michael spent 10 years as a missionary in Africa before heading to Rome to serve the Order there. He is a humble, compassionate and thoughtful man who will lead the Friars well over the next few years. Our prayers together with a recent Friday lunch time mass, have been offered for Fr Michael and all the friars as they seek to be living examples for us of the spirit of St Francis in today’s world.

It’s finished! Well almost. With just a few final tiling jobs to be finished the new Elementary classrooms are nearly ready for the little ones of Assisi School to enjoy. Started in late January, the new building has taken shape over the last few months to a point where real teaching and learning can take place within their walls. In a picture sent to me this week I noticed electric lights shining brightly from the ceiling. Fr Sebastian informs me that they now have electricity 24 hours a day. This is a remarkable achievement considering when we there last in October 2013 the school had no power and the friary ran a generator at night especially for us Aussies!

By Tuesday of this week our 2015 Franciscan Appeal had just gone over the $20 000 mark! This is amazing since we still have many sponsorship cards to be returned. Can you assist your son in returning his card as soon as possible. Our goal this year is $30 000. I thought that might be a pipe dream but I am not so sure anymore! Let’s make it a reality. There is still so much more for us to do in helping Fr Sebastian and his school. More students want to come to his school and this places increasing pressure on him and his staff to provide the resources and facilities. Assisi School is doing a fantastic job in helping to educate the poorest of the poor in Timor-Leste and we are part of that story. Thank you Padua!

I have received great news from Fr Sebastian, Principal of St Francis of Assisi College in Timor-Leste. Fr Sebastian expects that his new classrooms will be ready for use soon. Padua should be enormously proud of what it has done, and continues to do for Fr Sebastian, his staff and students.
‘On Monday, I met with representatives of the Mary Mackillop Institute (the mission branch of the Josephite Sisters) where we discussed a future partnership with them in helping to develop and provide teaching resources, appropriate teacher training and a community health scheme for the local Wekia area where the school is located. The discussions were very positive with the possibility of a partnership looking like a reality.’

Thank you to those families who registered their interest in sponsoring a student at Assisi School. What a privilege it is to be part of a generous community that values education and sees it as a vehicle for growth and in children. The details for this year’s sponsorship arrangements are being finalised and you will be notified shortly of specific sponsorship details. Every cent of your sponsorship goes to help fund the tuition and resourcing of your sponsored child. We pay the school directly so no there is no need for any administration charges that may eat up any of your sponsorship. As a bonus, you will receive a Certificate of Sponsorship with a photo and some background about your child.

As part of the Study of Religion course some of our Year 12 students participated in the 6.00 pm Worship Service of the Nexus Church in Flockton Street at Everton Park. We were warmly welcomed by the Nexus Church community during the Service. The purpose for visiting the church was to collect more data for the Study of Religion Ethnographic Task currently being worked on. In this Task, students choose a religious community and investigate how that community operates and worships as part of its religious tradition and as members of the wider Brisbane City community. Occasions, such as this help to break down the old barriers of discrimination and suspicion that for too long have characterised the relationship between people of the same and different faiths.

Tonight, Mitchell House celebrate their annual House Eucharist. Mr Nicholson and PC Classes have been working on preparing some special features as part of this year’s liturgy. We look forward to seeing you all at Little Flower Church on Thursday night at 7.00 pm. If you can stay supper is served outside La Cordelle afterwards. A plate of food to share for supper is appreciated.

This Friday (5 June) is our Term 2 Casual Dress Day we only have one per term with the proceeds going to a nominated cause or charity. This term the boys are contributing to the Franciscan Appeal. $2 is asked for the privilege of wearing casual dress. An extra coin for this year’s Appeal would be an added bonus and ensure that we reach our target of $30 000.

A reminder to our AIC Chess players that they need to bring their school uniforms in their bag to change into for that night’s Home Round against Villanova in La Cordelle.

Last Monday nine of our Student Leaders attended the annual Powerhouse of Leaders Day in New Farm. The theme of the day was to ‘Live Louder’. A number of young speakers during their presentations encouraged the Leaders to ‘live louder’ in their lives. It was good to catch up with the boys from Orange Sky Laundry who we helped at the very beginning of their outreach which involves taking a van around Brisbane to wash the clothes of people on the street. Theirs is a remarkable...
story of simplicity and generosity. They even took their van to North Queensland to assist people recovering from the cyclones earlier in the year. I have invited them to be our Guest Speakers at our annual Winter Sleepout during Catholic Education Week in July. They have just been named Catholic Education Week Ambassadors for Queensland for that week.

As the Feast Day of St Anthony falls during our Exam Block, we will hold over our College celebrations for this on the last day of term. The day will commence with a College Mass and include the staging of the annual Padua Dash race in the afternoon. Please make sure your son attends that day of school as we celebrate the Feast Day of our College Patron, St Anthony of Padua.

Enjoy the long weekend coming up everyone! What a great way to enjoy the winter sunshine, relax and prepare for the final few hectic weeks of the term.

Peace and all good for the fortnight ahead.

Michael O’Brien
Vice Rector Formation

Please pray for those who have died

Please pray for the sick
Building works—St Francis of Assisi School, Timor Leste

11 March 2015 – the foundations are laid and the walls appear.

22 March 2015 – the walls keep going upwards and the roof outline is completed!

29 April 2015 – the frame of the building is filling out more each day

3 June 2015 – the final tiling work on the verandahs is nearly completed

5 May 2015 – the building is now really taking shape

7 May 2015 – the inside of the classrooms nearly completed
Raising Concerns—Years 7 & 8

In recent weeks, the issues of draft due dates, check dates and due dates have been raised by several families, particularly those with students in Years 7 and 8. These are areas that we are addressing at the College and your feedback is very much appreciated. Year 7 this year take one less subject that has been the case in previous years and a project looking at connecting the curriculum and reducing assessment in currently being undertaken. I will be emailing Year 7 and 8 parents regarding this in the near future. Should you have questions or concerns, I would appreciate your communication and open dialogue. My email address is jpacey@padua.qld.edu.au

Absence from Exams

Please be reminded that should your son be away sick on a due date or assessment date, it is expected that the teacher or Head of Curriculum be informed in addition to informing the College Absentee Line. Included below are the links for Extension Applications and Term Time Absences. These processes are in place in order to assist us to best support your son.

The Extension Applications Form can be on the College website found at:
http://www.padua.qld.edu.au/teaching-and-learning/curriculum/years-10-to-12/

The Term Time Absence Procedures and Notification Form can be found on the College website at:

Subject Selections—Years 9 & 10

Students in Years 9 and 10 have now made their selections for Semester 2. Student will be informed of their subjects before the end of the term and we are aiming to have Term 3 timetables available for students before the break.

Jason Pacey
Wednesday 26th May around 30 of our brightest mathematicians competed in the Maths Team Challenge at Arana Hills Leagues Club. The boys competed in teams of 5 in their year levels and worked through two rounds of challenging problem solving questions.

All of our teams competed fiercely but huge congratulations must go to our Year 7/8 team comprising Samuel Buckland, Jacobson Harris, William Barker, Joshua McBay and Luther Minshull.

These boys took out FIRST PLACE in their division, with an incredible score of 247/250. This is an amazing achievement as they were competing against strong competition of over 30 teams from some of Brisbane’s top schools. Well done boys! Keep up the great work!!!
Padua Supporter’s Clothing

Padua College is pleased to introduce the Supporter’s Clothing Range for our Padua Parent and Old Boys Communities

Currently available in stock:

Supporter’s Polos $ 38.00
Supporter’s Caps $ 18.00

Padua College & Mt Alvernia Open Day: Our very talented FCIP Teachers set new land speed records on this day, as, at times, they needed to be in three places at once! Not only are they playing for the musical ‘Hairspray’ but they also managed to conduct various ensembles at different venues on the day. Here is a sample of some of the ensembles that were on show for open day.

Percussion Ensemble One

Percussion Ensemble Two

Jazz Ensemble (Mr. Dodemont)

Jazz Ensemble (Mr. Beyer)

A big shout out of thanks goes to the wonderful parents of the FCIP programme who baked and provided goods to sell to raise funds for the FCIP programme and also those who volunteered on the day to sell these, work in the canteen and swelter over the barbecue.

I was certainly exhausted after the open day, but there was no rest for the FCIP teachers and the children in the Junior Concert Band who performed the very next day at Padua (Greccio campus) to entertain the Grandparents of the year 6 boys as they enjoyed a lovely morning tea. The band was conducted by Mr. Luk.

(Santaliya, Nunzi & Venessa)

Finally, just because the FCIP teachers still had a little energy left, they played in the orchestra for the Mt. Alvernia/Padua musical, “Hairspray.” This is a wonderful occasion, where staff join together, with current and past FCIP members, to support the creative talents of the students from Years 7-12 who have auditioned and been chosen to be part of the musical. This is a memory that will live on for a very long time for these students and for many will be their greatest school experience.
St Anthony’s School P&F Presents

Friday, 19 June

A Safety Message from the P&F
The P&F School Disco is always a fun and exciting night and to ensure that everyone has a good time we ask parents to remind children about staying safe with these rules:

- No running around inside the Hall or outside on the terrace
- Stay in the hall or terrace area during the disco
- Children must be collected by parents from the Hall

The P&F and our volunteer supervisors thank the parents in advance for their support. Looking forward to seeing you on the night!

*Wristbands will be sold to Padua students only on the night.
LITTLE FLOWER JUNIOR OUTSIDE SCHOOL HOURS CARE

Do you need care for your children before school or after school or during vacations? Help is available. There are limited positions available at the Outside School Hours Care facility based within the classrooms and grounds of St Anthony's and Padua Junior.

Little Flower Outside School Hours Care has been successfully caring for school age children for many years and is staffed by well trained, caring educators.

NEWS FROM THE JUNIOR CAMPUS.

A very busy and happy start to another term with the children particularly interested in the great outdoors. The regular bug watching sessions led by our very informative Grade 3 students brings delight and wonderment each week. Another group of mainly boys are also interested in the many painting techniques we introduce and much too some parents horror copious numbers of beautifully painted sheets leave ASC regularly!

With the colder weather the Prep children are playing on the oval as the Prep playground can be very cold and windy. Simple craft has been popular – the children get such satisfaction out of creating and finishing their special work.

With this term rushing past, it is time to think about Term II vacation care. Programs are available at both campuses. Any questions re vacation care program please direct to Veronika at the Junior campus.

**The cut off to return bookings is the 19/06/2015.**

My usual request to remember to sign your child/ren in or out daily. This includes a signature when children are away on any pre-booked days. An “allowable absence” will be given on these days, but a parent signature is still a Government requirement.

Many thanks, Veronika 0419 732 343 kedronoshc@bne.centacare.net.au

If you require care for your children please call 3861 9996 and speak to our Administration Officer, Carol about available places at before and after school care.

The new 2015 | 2016 Entertainment Books are here!

The 2014 | 2015 Brisbane Entertainment™ Book has just about to expire on June 1st. If you haven't already purchased a new 2015 | 2016 Entertainment™ Membership, now is the time to do so.

Choose from the traditional Entertainment™ Book or the NEW Entertainment™ Digital Membership, which puts the value of the Book into your iPhone or Android smartphone!

Still Undecided on which membership to choose?

We are sure you will happy with either choice, however if you change your mind, you can always swap to the other type of membership. Supplies of both memberships are limited though, so get in quick!

Use just a few of the hundreds of 50% off and 2-for-1 offers, and you'll more than cover the cost of your Entertainment™ Membership. Plus, you can take advantage of additional, valuable Member-only benefits until 1 June 2015!

Plus, 20% from every Entertainment™ Membership we sell contributes towards the school fundraising! The more Entertainment™ Memberships we sell, the more we raise.

You are like living stones being rebuilt into a spiritual house

DEAR PARENT

NumberWorks+Words can help your child reach greater heights with our expert After-School Maths and English tuition.

From Prep to Year 10, no matter whether they're struggling to keep up, or bursting to race ahead, NumberWorks+Words promises to give your child's education — and confidence — a real boost.

Over the past 20 years, NumberWorks+Words has achieved amazing results with thousands of children just like yours, by:

- tailoring lessons according to your child's individual needs
- setting achievable goals and keeping you updated on your child's progress
- engaging your child with technology and resources developed by our own qualified experts
- using specialist-trained tutors who teach to the Australian Curriculum

Right now, NumberWorks+Words is offering FREE ASSESSMENTS in Maths and English. These assessments provide a great opportunity for you to discover how your child's doing, collaborate on a plan to help them achieve their potential, and to see for yourself how effective — and enjoyable — NumberWorks+Words makes Maths tuition and English tuition really a.

Call today to book your free assessment, or to discuss any concerns you may have about your child's progress.
