Dear Parents

Welcome to 2016 and a very special welcome to our new families in Year 5, Year 7 and in other year levels. I hope and pray that 2016 has begun well for you and that your Christmas and holiday break was a time of rest and reflection. As always, the school year has started at a frantic pace but it is essential that we have our inaugural orientation processes done as quickly as possible so that we can establish the normal school routines in a timely manner. Over the next couple of weeks, camps and sport will begin as well as debating and music, so it will be a busy time for a little while. I would urge all families to communicate any concerns as soon as possible so that any issues can be resolved as soon as possible.

2016 for Padua is the celebration of 60 years of Franciscan education in Kedron. As the only school that the Order of Friars Minor own in Australia, Padua College has a unique place in education. In 1956, Padua began with 89 students, two lay teachers and one Franciscan Parish Priest to guide the new Franciscan school. Now, Padua has over 1300 students, 150 lay staff and one Franciscan priest, as spiritual leader and chaplain. In speaking to the Year 5 parents this week, I made the point that there have been many changes at Padua in terms of personnel and infrastructure, but the spirit of Padua remains faithful to the Franciscan ethos and this is a tribute to Friars and lay staff both past and present. We have great cause for celebration over the course of this year.

You would have noticed the new Greccio Sports Courts complex (the ‘Grecciodome’). It is finished on time and on budget, possibly a first in Padua’s 60 year history. Over the next few days, the boys will have the opportunity to use the new complex, so it is quite exciting for them and their teachers.

This week, we have celebrated the Commissioning of our student leaders for 2016. Again, it is an exciting time for these boys and their families. What they experience this
week is the ‘buzz’ of being a new leader. Their real test will be throughout the year, but I am very confident that these boys will meet all challenges and succeed in their leadership of the student body throughout 2016. The new leaders are listed here.

Ethan Down College Captain
Lachlan Caldwell College Vice Captain
Sonny Ah San Beirne House Leader
Arran McNamara Beirne House Leader
Connor Bull Boyd-Boland House Leader
Owen McCarron Boyd-Boland House Leader
Michael McGrath Grigg House Leader
Liam Usher Grigg House Leader
Daniel Quaglia Kirby House Leader
Alex Kostellar Kirby House Leader
Rhys Hoole Mitchell House Leader
Alexander Lloyd Mitchell House Leader
Alen Jolly Odoric House Leader
Declan Michelmore Odoric House Leader
Sean Oudenryn Academic Leader
Jack Fordyce Pastoral Leader
Daniel Ross Co-Curricular Leader
Alex Barnes Community Leader

Parents would have also noticed some changes to the Turner Road, Jardine Street T junction. These changes were in the Bulletin towards the end of last year. We have included a plan of the changes on the next page. The changes are designed to make Turner Road more of a through road alleviating the congestion in the mornings and afternoons. Hopefully, this will be the case.

Over the coming weeks, there will be opportunities for parents to come to Padua to meet teachers and to hear about what is in store over the year. Please make the most of these opportunities.

This year, in many ways, is a very important year for Padua, both as a celebration of the past and looking forward to the future. I urge you all to join and support your son in celebrating Padua’s Diamond Jubilee.

Best wishes for the next fortnight.
Pace e bene
Robert Out

CONSULTATION - 160394 - 402

Dedicated to a better Brisbane
Many a great enterprise begins with a shaky start. Examples from Australian history bear witness to that: the federation of Australia in 1901, the 1920's and '30s construction of Sydney Harbour Bridge, the post WWII Snowy Mountains Scheme, the reform movement of the Whitlam government, and the establishment of Padua College some sixty years ago!

Padua was an on again, off again enterprise. There was the local Kedron friars' desire to establish a school for boys promoted by the Kedron Parish Priest, Fr Patrick Reynolds, up against the Sydney friars, and especially the Friars' Provincial, Fr Joseph Gleeson.

In a last minute 11th hour, the Administration of the Friars in Sydney approved by a letter dated 20th January 1956, that the school would be established one week later!! Fifteen months after that, a new Provincial, Fr Sebastian Day, declared "that we will not be teaching at the school after the close of the current year."

Looking back, we can thank the dogerred persistence of the then Archbishop at the time, James Duhig, who would not entertain the notion that Padua was to close. Nor was the Archbishop ready to accept the friars' suggestion that Irish Franciscan Brothers, or the Christian Brothers staff the school (Christian Brothers were keen to establish a boys school at Wavell Heights). No, it was to be a wholly owned Franciscan Friars' College, on the friars' property at Turner Road, Kedron. It was to continue the catholic education the boys had been receiving from the Franciscan Sisters at St. Anthony's parish school.

So it is that this year we can give thanks to God, as we celebrate Padua's 60th birthday, continuing the mandate of the Franciscan Friars to provide a catholic education for boys on the north side of the city.

Ad Multos Annos.
Fr John

Integrity

It is a great compliment if someone calls you a person of integrity. It means that you are seen as a person who is honest in his dealings with others, someone who can be trusted, and who is as good as his word.

There is an inner sense of consistency, a world-view that sees respect for others as fundamental. This is not someone who changes his mind to get out of trouble, or just so others can admire him. He keeps to his principles, and he is always accountable to others for what he does. He will admit there are times when he might make a mistake, but he knows he must live by the consequences of the choices he makes. He doesn't try to find excuses in order to justify poor and immature actions. You are indeed fortunate if you have friends that show integrity.
Welcome back to 2016. This year shapes as being eventful and successful and should be highlighted by our 60th year celebrations, as previously mentioned by Mr Out.

Late Arrival / Early Departure / Absent Students

Over the break, families will have received an email from the Pastoral Team reminding them of certain standard expectations for students that aim to make their daily routine as a student a little easier. These expectations are particularly important when applied to the arrival and departure of students during school hours.

Could I please reiterate to all families the importance of communication when applied to:

Student Late Arrival – Parents are asked to please email late@padua.qld.edu.au or call 3857 9981 (Assisi) / 3857 9933 (Greccio) if your son is going to be late to school.

Student Early Departure - In the event your son has to leave school during school hours, parents are asked to please provide a written note / email to the relevant Pastoral Care teacher on the day of his departure. This note should be signed by an appropriate Guardian and presented at the College Pastoral Care Centre/Greccio Office before he leaves school. Students without a note may not be permitted to leave the College.

Student Absence – Should your son be absent from school without previous warning or communication, parents are asked to please contact the College Office Absentee Line on 38579900 or email absent@padua.qld.edu.au

Extended Term Time Absence – If your son is planning on being absent or unexpectedly absent from school for an extended time, parents are asked to please contact the College Teaching and Learning Department on teachingandlearning@padua.qld.edu.au

College and Parental Partnership

When dealing with Pastoral issues at the College, the Pastoral Care Team frequently has the most success when a successful relationship is formed, or has previously been formed, between the College and a family. This 3-point approach involving the College, a student’s parents and the student allows for positive reward when applicable and appropriate restoration and outcome if required. The application of a consistently applied standard or expectation enforced both at home and at school can be a very positive influence in a young man’s life.

In 2016, I encourage all families to consider this triangular approach to improving your son’s education. Working collaboratively with the College, maintaining consistent standards with your son at home and school and having strong lines of communication with Padua will no doubt provide him with the best opportunity to continue to succeed.

Dear Padua Families

to the 2016 Diamond Jubilee School Year! This Year is a significant one for the College as we reflect upon, celebrate and give thanks for all things Paduan. Since 1956 Padua College has offered a unique Catholic Franciscan Education to boys in the northern suburbs of Brisbane. While the staffing and look of the place may have changed considerably since then, we work hard to ensure that the Franciscan values of hospitality, joy, courtesy, peace and love remain strong in our community. Please join us in our celebrations during the year.

The first camp of the year kicks off next week with the 2016 Year 12 Camp. ‘Past, Present, Future’ is the theme of this camp as the senior boys reflect on their past, their Senior Year and what lies beyond. A meeting of all students will take place during PALS on Friday morning in P1 to finalize arrangements.

In the mean time the following preparations need to be made:

- 10 photos loaded/scanned onto ipads for camp.
- Free app ‘Pic Collage’ to be downloaded onto ipads.
- All paperwork and permission slips to be completed and handed into Mrs Jones.
- At least 20 boys to swap camps to even up camp numbers. This will be done by us if not achieved by the boys before the end of the week.

At our first formal Assembly for the year on Thursday morning we will commission our Student Leaders for 2016. At this Assembly Year 12 will be also be presented with their Senior Ties and Badges. A number of new students have joined the college and this assembly also gives us the opportunity of formally welcoming to the college. Fr Paul Smith ofm, Minister Provincial of the Franciscan Friars will be with us, as he is every year, to present Badges of Office and bestow God’s Blessing upon the college.

On Tuesday 16 February the college community will come together to celebrate the Eucharist to mark the official beginning of the Academic Year. This year Archbishop Mark Coleridge, Archbishop of Brisbane, will be the Principal Celebrant. Archbishop Mark will be assisted by Fr Michael Perry ofm, Minister General of the Franciscan Friars and Fr Paul Smith ofm, Minister Provincial of the Holy Spirit Province. A number of other special guests will join us for this occasion.
Following morning tea, a special assembly will follow when the College will formally welcome Fr Michael Perry, Minister General, to Padua. Fr Michael will speak to the community and bestow upon us a special Seraphic Blessing for our Jubilee Year. It is a great honour to have the Minister General visit the college. Fr Michael, from the USA, was elected Minister General of the Franciscan Order at a General Chapter Meeting in Assisi last year. He will come to Brisbane after a short visit to Papua New Guinea and then move onto other Franciscan places in Australia before returning to Rome.

Community Outreach

In the next few weeks our first groups will head out on Rosies Street Van nights and Ozcare (aka St Vinnies) Men’s Hostel at South Brisbane.

Padua assists with three (3) Rosies Vans (Aspley – Sunday lunchtime BBQ, Logan – Wednesday nights and Brisbane CBD – Sunday nights) once per month on different days/ nights.

Each time we go out with a van we like to be able to take some donations with us for the patrons who use this service. If you have any spare clothes (all sizes and seasons) and/or blankets you would like to donate please send them in your son or drop them off at the main office. Toiletry items (toothbrushes, toothpaste, soap, shampoo/conditioner, women’s sanitary products, deodorants, face washers razors and shaving cream) are always needed. These products are packed into a kit to be handed out on service dates. An appeal for these items will be held soon with each Year Level being asked to bring in a particular item.

Little Kings Appeal

As we begin a new school year tradition has it that we begin with our long standing support for the Little Kings Movement (LKM) Appeal. The LKM is a not for profit organisation who provide respite for families living with other family members who have disabilities. They rely on their annual appeal and public donation to keep their operation going from year to year. Padua has had a long history of support for LKM. Last year we raised over $14 000! A sensational effort and a new college record! Older students on the Assisi Campus will be asked to help door knock for donations (local neighbourhood only) and Greccio Campus students will have a Sausage Sizzle or some other event to do their bit. The proceeds from the Term 1 Casual Dress Day will go be given to this Appeal. Please help us help LKM again this year.

2016 Franciscan Pilgrimage

Every two years a group from Padua travels to Italy for 16 days from the end of September to early October. Some school at the beginning of Term 4 is involved. Unlike sport tours that the college organises, pilgrimage follows the Franciscan story in places visited by St Francis and St Clare. A highlight of the pilgrimage is to be in Assisi (the birth place of St Francis for his Feast Day on 4 October). Cities visited are Rome, Greccio (short day visit, Assisi, Florence, Padua and Venice. This year we will being in Venice and finish in Rome. Include in this year’s itinerary will be a visit to the Ferrari Factory on our way to Florence from Padua! We currently have 22 boys on the list and have room for another couple. Four staff will travel with the group.

Continued
If you would like to more details about the pilgrimage please contact Mr O’Brien via email mobrien@padua.qld.edu.au or Fr John on iboyboland@padua.qld.edu.au

There will be a meeting of the pilgrimage group in a few weeks. This will discuss some future fundraising events. Current families are asked to respond to an email sent by Mrs Farry regarding the current status of their pilgrimage payments. The details for the final itinerary is almost complete.

Could all Pilgrim families please check that their passports are in order as we must send copies of them to Trekset very soon.

2016 Young Australians of the Year Award – Orange Sky Laundry

On Monday night this week Nic Marchesi and Lucas Patchett were named as 2016 Young Australians of the Year. Two young men from Brisbane, Nic and Lucas felt a strong need to do something for people living on the street. Fourteen months ago they started up their mobile laundry for the homeless by fitting up an old van with two washing machines and two dryers. Today they have five vans – three in Brisbane, one each in Sydney and Melbourne. Nic and Lucas have visited Padua on several occasions, the latest being as our guest speakers at last year’s Winter Sleep Out in July. The college has keenly followed the progress of Orange Sky Laundry making one of its first big donations back in its early days. Like them on Facebook and follow their terrific and inspiring story yourself. The Franciscan Province is looking for ways to assist the boys in their enterprise as well.

Congratulations Nic and Lucas from all of us here at Padua College!

This group was formed last year to make beanies and other garments for people living on the street. It meets every Tuesday night in the Pastoral Care Meeting Room from 6.45 pm to 8.30 pm. Can’t crochet? No problem! Plenty of people in the group to show you how. Keep a look out for emails, social media and future Bulletins for more details. There is a Facebook page as well! Please like it if you want to keep updated. It’s a great way to meet new people.

‘Cosies for Rosies’ Crocheting Group

Prayer is an important part of college life. In them we continue our conversation with God. If you would like us to pray for any family member, friend or situation please contact me via email mobrien@padua.qld.edu.au Your intentions can be mentioned in our daily school prayers, weekly mass or in our fortnightly Bulletins. If you prefer privacy that can be assured as well.

You feeling exhausted after reading all of that? Padua is indeed a busy place, but in that busyness our search for God continues. Once again, welcome back and have a great term everyone!

Peace and all good to you all!

Michael O’Brien
Vice Rector Formation

Please pray for the sick
Please pray for those who have died

Luca Barichello’s (Yr 8) Father, Daniel

Community Prayers
We have a number of new staff to Padua in 2016 and I would like to welcome the following new teaching staff: Mr Adam Mueller (Science/Maths), Ms Che Gaddes (Science/Maths), Mr Tom Lunn (Maths/Science), Ms Rosie Jumelet (Drama), Ms Therese O’Driscoll (Teacher Librarian), Mr Gary Curran (Science/Maths), Mr James Nichols (Business/Economics). In addition, we would like to welcome Mr Peter Egan back to Padua after two years teaching in remote Australia. Two other recent changes are the appointment of Mr Marty Raadschelders as the Acting Head of Curriculum Health and Physical Education 5-12 and Mrs Kathy Hodge who has changed roles and is now joining us as a Differentiation Teacher, working in-class with teachers on differentiation in the classroom. These changes are in addition to appointments made at the end of last year which include Mr Adrian Gray taking on the role as Head of Curriculum Design and Technology 7-12, Mr Michael O’Rourke taking on the role as Vocational Education and Training Coordinator and Mr Brendan Downes taking on the role as overall Head of Curriculum 5-9. Congratulations to everyone listed above for their appointments.

Year 12 Information

Year 12 is always a busy year and this year is no exception. QCS preparations began on Monday 25th of January and will continue throughout the year. The focus of the Personal and Life Skills Lessons this year will be post school options and opportunities. For those boys on the OP pathway, the focus will be preparation for the QCS test. For those boys on the non-OP pathway, the focus will be the development of skill to assist them in their transition into post school life. I ask all Year 12 parents to pencil the Year 12 Parent and Student Information Evenings into their calendar. The OP Pathway evening for Year 12 Parents and Students is Wednesday February 10 starting at 7pm in La Cordelle. The Non-OP Pathway evening for Year 12 Students and Parents is Monday February 15 in the Auditorium. These evenings will provide important information to assist both you and your son in his final year at Padua.

Assessment Guides

We are aiming to have Assessment Guides for Term 1 on the College website by the end of Week 1. These are published at the beginning of each term and are a great way to assist your son with his organisation. Given the dynamic nature of schooling, assessment dates can change and Blackboard is always the most up to date source for assessment dates. Assessment Guides are found on the College Website under Teaching and Learning/Assessment Calendars or by clicking on the following link: http://www.padua.qld.edu.au/teaching-and-learning/assessment-and-academic-achievements/assessment-overview/

Continued
Our 2015 cohort had some great results and should be very proud. A rundown of results for the 2015 cohort can be found on the College website at the following link: http://www.padua.qld.edu.au/teaching-and-learning/assessment-and-academic-achievements/academic-achievements/

Recording Homework

The student diary tool for 2016 is either the Outlook Calendar on the student’s laptop or the iPad calendar if they are using an iPad. Teachers will be reminding students of the expectation of recording their homework in a consistent location. Students are welcome to bring their own paper diary if they feel that that works best for them.

Academic Assembly

The Academic Assembly recognising student academic success in Semester 2, 2015 will be held on Thursday February 11 starting at 11am in La Cordelle. I will be emailing all students in Years 6 to 12 on Monday February 1 with a list of award recipients for their year level and some instructions about rehearsals. Please ask your son about this email. If your son is an Academic Award recipient, you are more than welcome to attend the Academic Assembly which will also include the OP 1-5 recipients from 2015.

Thank you in advance for your support for 2016.

Jason Pacey
Vice Rector Teaching and Learning
Welcome back to what has started as a very busy year already!

Over this week all students returning to school have or will have their laptops reimaged (return to factory settings and school software) ready for the new school year. This process should be completed by Friday with sessions for those students who receive new devices to be advertised through notices.

For those students who continue to use iPads or who have not purchased a laptop through the College, they will not be required to attend these sessions. Just a reminder that if you chose not to purchase a laptop through the College program that your son will need to complete all printing at home and he will have access to his school Office 365 Business account – all other software (including anti-virus) is your responsibility. Please be aware that this is based on licencing requirements of the software providers.

**Charging of Devices:** Already we have seen a number of students turn up to school with their laptops not fully charged. Please be aware that we do not provide charging stations for student laptops and we do not have spare charging cords. As part of the daily homework routine, please remind your son or sons that they need to plug their laptop in to charge.

**Naming of Devices:** Please ensure that your son has his name on his laptop, case, charging cord (if he will be bringing it to school – not recommended) and stylus. There are a large number of devices in the College that look that same and naming all parts will help ensure that if your son leaves something in a classroom, it will get back to him!

Students who are using iPads will be asked to download the Microsoft Apps for Word, Excel and PowerPoint and will use these with their School Microsoft account instead of using Pages and Keynote. Again, only school apps should be on these devices (no games!) During R & T in years 5 – 9 students will spend some time getting all their technology set up, including Pearson ebooks for those year levels who have these. Year 10 will spend some time in PALS and Year 11 and 12 will be supported by their subject and PC teachers.

Staff at the College have begun the first of a range of IT Training Sessions in the student free days. The second of these sessions will begin next week. The first 2 weeks of each term will be dedicated to IT training for staff.

**Website update:** over the coming weeks the College website Technology page will be updated with information relating to the changes in student devices. This will include versions of software being used in the College, procedures for repairs and warranty and procedures for changing over devices during the year. Please check this site out regularly for updates.

Tanya Anderson
E-Learning Coordinator

---

**Student Absence**

In the event a student is absent or is going to be absent, all families should prioritise contacting either:

The College Absentee Line: 3857 99 00

College Absentee Email: absent@padua.qld.edu.au

All Absentee information should come from a parent, guardian or carer. Students emailing their own absentee information will not be accepted.

Payments must be made by Monday 22 February via the College website http://goo.gl/urg681

or go to School Events Calendar – 27 February – Click on event to register.
Register as a team or buy individual tickets.
As advised by the Brisbane City Council, these changes will take effect as of the 1st day of school in 2016 (27th January 2016)

Details in brief:

**908 District Route**

To provide a service from the Collins Rd/Jinker Track precinct through to Padua College and Wavell High School, effective Wednesday 27 January 2016, the 908 District Route will be realigned and will commence at the "Collins Rd-far side Hawkes Avenue" stop on Collins Rd, then turn right Jinker Track, left Theiss Drv, right Narrabeen Rd, right Albany Forest Drv, left Old Northern Rd, right Folkstone St, right Sussex Drv, right Keong Rd, left Old Northern Rd and normal route.

**917 District Route**

To provide a service from Wavell High School and Padua College through to the Collins Rd/ Jinker Track precincts, effective Wednesday 27 January 2016 the 917 District Route will be realigned to travel as follows:

Depart “Wavell High Oval” stop on Edinburgh Castle Rd, then travel express to “Padua College Stop A”, then express to the “Hamilton/Pullford” stop on Hamilton Rd (Craigslea schools), then express to the “Collins Rd-far side Hawkes Ave” stop on Collins Rd travelling via Hamilton Rd, left Old Northern Rd, right Collins Rd, then stopping as required via right Jinker Track, left Old Northern Rd and normal route to Brendale.

**944 District Route**

To improve service from the Muller Rd, Beams Rd, Handford Rd, Murphy Rd and Ellison Rd precincts through to Wavell High School, effective Wednesday 27 January 2016, the 944 district route will be rerouted to travel:

Normal route to Hamilton Rd, then turn right into Chermside Interchange (servicing stop A), then left back onto Hamilton Rd, right Pfingst Rd, right White St to the "Wavell High School" district stop. then right Telopia St, left Rode Rd (running express from “Telopia Avenue” stop 46 to Padua College), left Gympie Rd and normal route to "Padua College-Jardine St-Stop A" in Jardine St.

Other routes commence, terminate or pass the school as well, but unless they are in the aforementioned routes, at this stage they are remaining unchanged or are controlled by other regions and the relevant planners will be forwarding any changes in the near future or have already forwarded details of any other changes.
Come and play an exciting olympic team sport for both girls and boys at Brisbane’s foremost hockey club!
