Dear Parents,

Last Saturday, the AIC Cross Country Championships were held. There were some really good performances by our athletes. Ned Paddison won his event. The Year 9 team came first in their age group. Year 5 and 6 came second in the aggregate and the overall Year 7 to 12 result was fifth. I would like to pay tribute to all of the boys who ran on the day, especially those who trained regularly. Cross Country is a tough sport. It requires dedication, resilience and courage. These are qualities that we try and instill in our young men. The Cross Country team demonstrated them on Saturday.

Congratulations also to the Cross Country coaches—Ms Ceren Hughes, Mr Barry Keegan, Mr Ben Sitarz and Mr David Wren. Without their dedication, knowledge and hard work, the season would not have been possible.

Over the ‘Ekka break’, we celebrate the feast of St Clare (Thursday 11 August). This is a very important Franciscan feast day. St Clare is credited with being instrumental to the survival of the Franciscan movement in the years after the death of St Francis.

On the 18 August, there will be a special ceremony at Padua to commemorate the fiftieth anniversary of the Battle of Long Tan, the Vietnam War and those Padua ‘Old Boys’ who served in the Vietnam War. Dennis McCormack, an Old Boy of Padua, was killed in the Battle of Long Tan. Also, thirty-six Padua ‘Old Boys’ served in the Vietnam War. Peter Kowalski, another ‘Old Boy’ was also killed in the war. A plaque with the names of those ‘Old Boys’ will be unveiled and displayed at the school. The ‘Old Boys’ who served in Vietnam and or their families have been invited to attend the ceremony.

I hope that the students enjoy the Ekka break. If you parents have time off, I hope that you enjoy the time with your children.

Best wishes for the next fortnight.

Pace e bene

At the Confraternity Carnival in Rockhampton last month, I met up with one of my former Padua students who is now in the Police Force. He was lamenting the frequency of domestic violence he has to investigate. It is certainly a terrible and tragic occurrence when women are subjected to any forms of violence and abuse.

Does it flow from patriarchal masculinity - where the notion that men display comfort, healthy attachment, and emotional availability is frowned upon?

I believe that teaching our young men at Padua to “nurture” is any important counteract to that culture of toxic masculinity prevalent in sections of Australian male-life.

Nurturing takes place when we have the capacity to let go of our own needs and desires - that we don’t have to be in control. It means that we stop thinking about ourselves - how I feel, what I need, and what is best for me. Rather, to imagine what it must be like to be the other person - listen to what they are saying, and absorb the essential meaning of what is being communicated. It should be about how the boys relate to each other, and how the boys relate to their mother and father - and how they observe the manner in which their father relates to their mother. Needless to say, this is how it should be in any relationship, and especially how any man should relate with any woman.

Nurturing is about learning how to make someone feel safe, feel protected, feel “at home” - it is more than just not being violent. Considering Australia’s current crisis of violence against women, and government sponsored campaigns, it is still incumbent upon us here at Padua to educate our young men to be respectful in all their relationships, sensitive to all, and young men with a strong inner character who have a certain moral depth.

Nurturing is about husbands, boyfriends, lovers, friends, brothers and fathers showing the kind dependable love and intimate care that is indeed the opposite of hurting, hitting, bashing and raping.

Men must shift away from inevitably being those in control, those who are dominant, those who are always in charge - the Church does not do this well, large corporations and our parliaments could do it better, and the challenge is that we do it at Padua!
We live in a culture that teaches us to promote and advertise ourselves and to master skills required for success, but gives little encouragement to humility and simplicity.

The person of simplicity rids his life of superficial matters. When most focus their attention on money, possessions, looks, ambition and competition, the simple person pays attention to people—what are their needs, and how can I help them? For the person of simplicity, anything that gets in the way of relationships, anything that distracts us from others, and our care of them is a waste. Retain in your life what is joyful, get rid of the clutter and distractions that hinder you from what really matters. That is the mark of a simple man.

For Saint Francis it was simplicity rather than self-promotion, humility rather than arrogance, and modesty rather than pride, that made him a happy and contented person. A man free to respond to God’s call to go out on his mission of preaching peace, and caring for lepers.

Tuesday 2nd August

THE FEAST OF OUR LADY OF THE ANGELS: THE PORTIUNCULA

On Tuesday Pope Francis will visit the Basilica of Our Lady of the Angels in Assisi to commemorate the 800th Anniversary of the Great Pardon. This is the Papal Privilege of the Plenary Indulgence granted to anyone who makes pilgrimage to this Church. Padua’s pilgrims will be there in October!

The Portiuncula is the small chapel (enclosed now by a mighty Basilica) where Saint Francis and his first friars prayed, and around this Chapel they lived in simple and humble dwellings. It is the cradle of the Franciscan Order, and where all General Chapters of the Order are held.
Rio Olympics, AIC Cross Country Carnival and Theatre Sports

– What do they mean for us?

Annually, Padua College places great emphasis on the value of individual and team competition as part of a boys continuing adolescent development. It is well documented that a healthy mind is well stimulated by a healthy body and it is extremely evident at Padua that many boys learn and thrive within a sporting or competitive context.

This week Archbishop Mark Coleridge, in one of his regular publications, made the following comment;

“Sport was a powerfully formative thing in my early life, equipping me in many ways for later life. This is because it says that you are my opponent but you’re not my enemy – and this in a world where often, if you’re my opponent, you are my enemy........Sport has always been important in our schools – not just to help the young develop physically but to teach them that you can be an opponent without being an enemy.”

In the coming weeks, many of our students will face opponents in their own competitive arena. I congratulate the Cross Country team on all of their successes from last weekend, I would also particularly like to acknowledge the small group of boys from the College who gave of their time to head out to Limestone Park at Ipswich to cheer on and support our competitors.

Before the publication of the next Bulletin, our Theatre Sports teams will face many of their own traditional opponents in a competitive arena, vying for the title of State Champions, two years running. I would like to wish the all the best in their endeavours and thank the many supporters who will attend the night in support.

August 23 is our College Athletics Carnival. This day is a compulsory day for all students. Families (including those who participate in regular work experience/work placement) are asked to save the date in anticipation. More details will be published regarding this day in the coming weeks.

Healthy competition is a key part of life at Padua, whether it be through sport, activity and even learning. Understanding your opponent is not your enemy, exemplified by the Marist Ashgrove boys cheering on the Padua Confraternity team or the Padua team sharing lunch with the St Pats boys this year in Rockhampton, is one of the many holistic benefits of healthy activity.
Greccio Campus—Year 5

Semester 2 is always an exciting time of the year for our Year 5’s. The nerves of a new school have settled, friendships continue to develop and the boys have begun to adapt to the busyness of their day to day routines. The year to date has seen Year 5 experience many firsts. Their first Amaroo experience, first House Swimming Carnival, first House Eucharist and first Co-curricular participation for the College to name a few. One of my favourite moments to date is seeing our Year 5’s run on with our 1st XI Football and 1st XV Rugby at Banyo earlier this to mark our 60th Anniversary.

As we approach the ‘Ekka Break’ I encourage the boys to recharge their batteries and return with the same vigour that they have demonstrated to date. It is also a great opportunity to revisit goals the boys may have set themselves at the beginning of the year.

A note of thanks to Josh Ragh (Commercial Manager) and Gus Romero (Franchisee) from Harvey Norman Aspley for their recent donation of an iPad mini to support a Year 5 student undergoing medical treatment. This thoughtful and generous donation was greatly appreciated.

Enjoy the ‘Ekka Break’.

Ty Casey
Pastoral Guardian (Greccio Campus)
Mr O’Brien is currently in Timor Leste with students, visiting St Francis of Assisi school.

If you have anyone who needs our prayers at any time. Please email myself mobrien@padua.qld.edu.au or Sue Weston at admin@padua.qld.edu.au and we will publish the names of anyone you mention to us.

Go gently this fortnight and try to avoid the Ekka flu that does the rounds at this time of the year!

We also pray for all of those people in our community who need our prayers.

Please pray for those who have died

Please pray for the sick

Dominic Smith 5DB
The College Academic Assembly to recognize Academic Award Winners from Semester 1 will be on August 25 as published in the previous Bulletin. Award winners will be notified prior to this and parents of ward winners are welcome to attend the assembly. The criteria for Semester Academic Awards are listed below:

- Years 5 & 6 require at least 6 A grades out of a total of 9 subjects
- Years 7, 8, 9 and 10 require at least 5 A grades out of a total of 8 subjects
- Years 11 & 12 require at least 4 A grades out of a total of 6 subjects

2017 Subject Selection for Current Year 8 Students

All students who are currently in Year 8 will be asked to complete and submit their subject selections by the last day of Term 3. Now is a good time to begin conversations with your son if you have not already regarding subject choices. The current Subject Selection Handbook is available on the website at [http://www.padua.qld.edu.au/teaching-and-learning/curriculum/years-5-to-9/](http://www.padua.qld.edu.au/teaching-and-learning/curriculum/years-5-to-9/). An updated version for 2017 will be uploaded in upcoming weeks. Should you require any additional information, you should direct questions to the relevant HOC or subject teacher.

2017 Subject Selection for Current Year 9 Students

All students who are currently in Year 9 will be asked to complete and submit their subject selections by the last day of Term 3. Now is a good time to begin conversations with your son if you have not already regarding subject choices. The current Subject Selection Handbook is available on the website at [http://www.padua.qld.edu.au/teaching-and-learning/curriculum/years-5-to-9/](http://www.padua.qld.edu.au/teaching-and-learning/curriculum/years-5-to-9/). An updated version for 2017 will be uploaded in upcoming weeks. Should you require any additional information, you should direct questions to the relevant HOC or subject teacher.

2017 Subject Selection for Current Year 10 Students

All students who are currently in Year 10 will be asked to complete and submit their subject selections by the last day of Term 3. Now is a good time to begin conversations with your son if you have not already regarding subject choices and Senior Pathways. Year 10 had a Senior Pathways Evening on August 8. In addition to the Senior Pathways Evening, SET Plan interviews will take place on Friday August 26. Parents do not attend these interviews, but they do not take place unless the appropriate documentation has been signed off by parents, thus ensuring that parents have been a part of the decision making process. The revised Subject Selection Handbook for 2017 is available on the website at [http://www.padua.qld.edu.au/teaching-and-learning/curriculum/years-10-to-12/](http://www.padua.qld.edu.au/teaching-and-learning/curriculum/years-10-to-12/).
With Parent Teacher Interviews being finished for the year, I would like to remind families that you are always welcome and encouraged contact your son’s class teacher via email at any time. The email addresses at Padua are standardised and all consist of the initial of the teacher’s first name, followed by the surname, followed by @padua.qld.edu.au. For example, my email address is jpacey@padua.qld.edu.au.

Year 12 – OP Predictions were given to Year 12 students on Wednesday July 27 in one of their classes that day and Rank Orders are currently available in the Teaching and Learning Centre. Any student who wishes to discuss their subjects needs to make an appointment to see Miss Goodwin, our Careers Counsellor as soon as possible.

Year 11 – OP Predictions were given to Year 11 students on Thursday July 28 in their PALs Lesson and Rank Orders are currently available in the Teaching and Learning Centre. As part of this process, we will be interviewing students at risk of not meeting the QCE requirements or who have failed 2 or more subjects. Should a student wish to make subject changes, they must make an appointment to see Ms Goodwin, our Careers Counsellor as soon as possible. It is too late in the term at this point for subject changes. All subject changes should have been finalized before the end of Week 4 as published in the last Bulletin.
2 August 2016

Dear Parents

2017 Technology Information Evening

The College is currently finalising details for our 2017 1:1 Device program for new students and current Year 6 students.

Information regarding this program will be outlined at a compulsory Parent Information Evening on **Wednesday 17 August at 6.30 pm** in La Cordelle. We ask that at least one parent attend this night as there are significant updates to the current program which will be outlined on the night.

Yours sincerely

Robert Oat
Rector
On Friday August 5th the 11 man squad travelled to Logan to participate in the Division 1 Queensland Senior Schools Cup Tournament. After a full day at school, I was sceptical about how the team would handle 3 games with the last finishing at 10pm. Our first game of the tournament against powerful rivals St. Laurence’s. Our new ‘weapon’ in the team Harry Fox killing balls through the middle and boosting the team’s confidence to give them a 2-1 win.

The second match of the night provided the “Hit of the Tournament” where an overpass from the Nudgee libero provided a perfect set up to Michael Cheer waiting at the net. From a standing jump, Michael launched into the air and bounced the ball at the Libero’s feet and up into his chest before he had time to react.

The team were now gelling well the following day and made the game against Benowa State High School a walk in the park. One of our team’s setters Makalti Henderson had a tremendous serving streak, 13 unanswered points from the competition. Clinical passing from libero Finn Keppel helped seal out the match 2-0.

The final day saw us having to verse GPS’ Nudgee College for the second time this tournament. The talented GPS school had learnt their lesson from our last encounter and stepped up their game to keep the points even the entire way through the match. MVP Kyle McLennan was given his time to shine as he provided ‘mint’ setting options and perfect release balls to hitters. Padua closed out the final set 25-22, we were through to the Gold medal match up against undefeated Iona College.

This game is what the boys had been waiting for, a chance to prove they were the best team in the competition. The warm-up lifted intensity, especially when Yr 10 Kyle O’Brien smashed balls down the line, getting the entire team fired up. Unfortunately, it took the team some time to find their feet, losing the first set 25-16 through unforced errors. Padua took to the court for the second set a different team. Clinical passing and smart setting options combined with a devastating demonstration of blocking prowess from our tall front court shut the talented Iona outfit down. Solid passing from Dan Caulfield and Finn Keppel provided a strong formation for the momentum shift allowing Makalti to distribute the ball to our power hitters who found the floor with ease. The second set’s score was a convincing 25-13 thrashing.

Iona was shocked coming into the 3rd set but came back playing tactical and clever volleyball. It was point for point as we his 10-10, no one knew what the outcome was going to be. Padua found themselves with 2 match points at 14-12 but couldn’t consolidate. At 15-15 Padua knew it was their last chance to close out this game. Dan Caulfield stepped up to smash out a brilliant serve, causing Iona to error on their side. As it was match point, from the sideline you could hear Coach Shaun Brake with volleyball prodigy Clayton Sefo telling the team that this is their game. The rally feels as if it goes on forever, going back and forth over the net. Kyle McLennan took it upon himself to give Iona a difficult ball to play. Iona scrambled to keep this ball alive and set their strongest hitter. Captain’s Man of the Match Dan Whittaker knew that it was his time to shine. As the ball leaves Iona’s side, Dan leaps and smacks the ball to the floor with an astonishing kill block, sealing out the match and the tournament.

I would like to thank Coach Mr Shaun Brake for taking this team and providing us with superb volleyball insight. Special mention to Manager and Supreme Mentor Mr Craig Nicholson for helping with the analytics and driving us out to the tournament each day. Finally, huge thank you to Assistant Coach/Chief Statistician Wilson Gabbett for giving us stats and pointers to improve our performance. Thank you also to parents and supporters who attended throughout the weekend.

St Ignatius Parish presents their 11th Annual, ecumenical "Women's Night of Spirituality"

Robyn Emerson
St Ignatius parishioner Robyn Emerson is a science journalist and speech writer who works in communications at Brisbane City Council. A mother of two young adults, she is currently studying a research degree in Creative Writing and is working on a children's book.

Tonight she introduces:

Andrée Rice:
Andrée Rice has followed her mother's lead as a passionate educator and she is currently Deputy-Principal Boarding at Stuartholme where she is loving the challenge of promoting the happiness and wellbeing of 154 young women who call Stuartholme home! Andrée, Justin and their three boys have spent a number of years living in remote aboriginal communities in the NT, and social justice has always been at the heart of her spirituality.

Sue Buckingham:
Sue Buckingham was educated at Santa Sabina Strathfield; she is married to Lewis, has six children and is a member of of St Canisius Parish, Kings Cross. She works at David's place – a place of prayer and care for marginalised people at the Cross.

Adèle Rice AM:
Adèle Rice has been appointed as a member of the Order of Australia. The award cited her significant service to secondary education, and to the migrant and refugee community. Adèle is serving as the Chair of FHEAL (Friends of HEAL), a not-for-profit foundation dedicated to providing healing for traumatised refugee young people through the expressive arts using Music and Art Therapies.

Tuesday 23rd August 2016 ~ 7.30pm – 9.15pm
at Stuartholme School Chapel
Birdwood Terrace, Toowong.

No Booking Required. Donation at the door. Supper provided.

Parking Available - Please check Stuartholme School's website www.stuartholme.com for details on the day.
'Facing the Fear' is a nine week group therapy program designed for the treatment of a range of anxiety disorders. Sessions are held weekly, and are approximately two hours in length. Therapy sessions are run by provisionally registered psychologists who are completing post graduate training at the Mt Gravatt campus. Therapists are supervised by Dr Leanne Casey, who is a clinical psychologist at the university. The program covers topics such as understanding anxiety, developing strategies for dealing with anxiety, and implementing these strategies across situations. The sessions are held at the Mt Gravatt campus, and free parking is available at the clinic. There is also public transport available to the campus. We are flexible with the timing of sessions, and try to schedule them to fit in with availability of group members. So far we have been finding that weekday evenings or weekends have worked best for most people. There is a per person fee associated with the therapy sessions, which is used to support the running of the program. However, fee reductions are also available for students, concessions, pensioners, and individual circumstances.

If you are interested in becoming involved in the program, the next step is to have a brief 10-15 minute chat with team member over the phone. If you would like to go ahead with this, please call the office at your convenience on 3735 3348 or email facingthefear@griffith.edu.au. You will also find more information on our website www.facingthefear.net.

KIDS VACATION PROGRAMS AT RQYS IN MANLY

Sail & Play
Fun, vacation care program for kids 6 – 12 years. Heavy concentration on marine sports/outdoors related activities, such as sailing, stand up paddle boarding, island trips, slip n slides, fishing and more. The program is also educational and participants are bound to pick up a few skills.
19 – 30 September, week days only, 09:00 – 15:00. Supervision (movies and activities) are available from 15:00 – 18:00 for just $20.00 an afternoon, on top of the daily price of $70.00 a day, or $335 for a full 5-day week. Second children get 10% discount. Contact Rebecca on (07) 3396 8666 or sign up at http://www.rqys.com.au/sailing-academy/kids-courses/holiday-sail-and-play/

Tackers Learn-to-Sail Courses
Structured courses for children ages 7 – 13 years. There are 3 courses in Tackers (level 1, 2 and 3), which teach kids everything they need to know about sailing in small dinghies. The participants will be sailing in Optimists. The course is running on the second week of the September Holidays (it also runs during the school terms on the weekends) for 4 days; Monday 26, Tuesday 27, Thursday 29 and Friday 30 September 2016, from 09:00 – 15:00. Supervision (movies and activities) are available from 15:00 – 18:00 for just $20.00 an afternoon, on top of the course price; $395.00 per level. Contact Rebecca on (07) 3396 8666 and read more/sign up at http://www.rqys.com.au/sailing-academy/kids-courses/tackers/
